TENTATIVE AGREEMENT

between

AMERICAN AIRLINES

and

TWU/IAM AIRLINE MECHANIC & RELATED EMPLOYEE ASSOCIATION

covering

MAINTENANCE TRAINING SPECIALISTS

of

AMERICAN AIRLINES, INC.

Effective date – XX

THE TWU-IAM ASSOCIATION
Sisters and Brothers,

This package contains the tentative agreements submitted to you for your ratification vote. As you know very well, the process of negotiating this agreement has been a long and tough fight. Two proud unions came together to form an Association that married our strength and solidarity to deal with the world’s largest airline. The end result proves that the effort has been well worth your support.

The agreements to be voted on are the best in the industry. We reached parity and improvements on important benefits like sick-time, vacation and holidays. Retirement accruals will be second to none for our classifications and we preserved the pre-merger healthcare benefits as they applied to each pre-merger group.

Seniority applications have been merged into a single system that protects your seniority in the classification of your work and, for the first time, allows you to have seniority rights across the entire new American Airlines system. Your jobs are protected on the system and at your station and, more importantly, the work you do is protected in a way that ensures good union jobs will exist at American Airlines for generations to come.

Pay rates, overtime, holiday pay and profit sharing, taken all together, will lead the industry by any measure. Significantly, the formulas for that compensation are locked-in with iron clad language in these agreements.

We urge you to review this material, visit the Association website at twu-iam.org and the TWU and IAM websites to see the highlights, and make an educated vote – a vote that will guarantee an improved future for you and your family for a long time to come. Your negotiators are proud of these tentative agreements and so are we. Everyone involved in negotiating these contracts recommend a YES vote and encourage you to do your part by voting in the ratification.

Specific details of voting locations, the date of the vote and times are available from your local representatives, on the Association website and on the TWU and IAM websites.

classification seniority date, Company seniority date, job classification, and station of each employee, covered under this Agreement. Any employee on leave at the time of posting will have a period of fifteen (15) days from his date of return to service to file a protest.

G. An employee having classification seniority who moves to a position in a classification of work in another Association agreement within the Company, will continue to accrue Classification seniority in the classification and group from which he transferred.

H. Employees covered by this Agreement may be assigned to special projects in the interest of the Company that are outside the normal scope of their duties. Employees assigned to such projects shall continue to be covered by this Agreement during the term of the assignment. The Company shall advise, meet and/or confer with the Association prior to any such assignment of an employee or employees to discuss the nature of the project and any conditions that may be associated with the assignment. Employees on special assignments initiated under the conditions described in this paragraph shall retain and continue to accrue all seniority while on the assignment.

I. Employees may be assigned on a voluntary basis to supervisory or managerial duties (except the issuance of discipline) that are considered short term in nature. The Company will not create a personnel documentation change for employees assigned under these terms and the employees shall be considered to be part of the bargaining unit during the term of the assignment. Employees assigned under the conditions described in this paragraph shall retain and accrue seniority for a total of sixty (60) work days measured over the duration of their career. Any employee who exceeds sixty (60) work days in any supervisory or managerial assignment described in this paragraph shall lose all seniority under this Collective Bargaining Agreement and any other Association Collective Bargaining Agreement containing these same provisions. The Company shall provide a monthly report to the Association that records all persons assigned under this paragraph and the days of the assignment(s).

J. Employees who transfer to any position outside of the coverage of any Association Collective Bargaining Agreement, other than those assignments described in paragraphs (H) and (I) above shall continue to retain and accrue seniority for a period not to exceed ninety (90) days measured over the duration of their career. Any such employee who exceeds ninety (90) days, measured over their career, shall lose all seniority under this Collective Bargaining Agreement and any other Association Collective Bargaining Agreement containing these same provisions.
ARTICLE 12 - REDUCTION IN FORCE / RECALL / VOLUNTARY FURLOUGH

REDUCTION IN FORCE:

A. In the event of the geographical relocation in whole or in part of any of the work performed by employees covered by this Agreement, the employees affected will be given an opportunity to transfer to the new location. Affected employees transferring to the new location will be provided the American Airlines Level 1-2 employee relocation policy in effect as of DOR. In the event, the Company should enhance the relocation policy during the life of the agreement, such enhancements will apply to employees covered by this agreement. Employees so transferred shall suffer no loss of seniority or pay, nor any reduction in classification or hourly rate.

B. In the event of a reduction in force, classification seniority will govern. Affected employees working a five (5) day workweek will be given ten (10) work days notice and affected employees working a four (4) day workweek will be given eight (8) work days notice before any normal reduction is made and a list of those to be reduced will be furnished to the Designated Local Union Representative, and IAM General Chairman/TWU Local President prior to notifying the employees affected. However, this provision is not applicable where there is temporarily no work because of work stoppage or strikes by employees of the Company. During those circumstances the Company retains the right to reduce the working force at any facility with twenty-four (24) hours notice or eight (8) hours pay.

NOTE: The ten (10) day notice to the employee, described above, shall begin when the employee signs for their abolishment or bump paperwork.

C. Employees laid off in a reduction in force or displaced by senior employees may fill any available vacancy on the system or exercise their seniority as follows:

1. Displace the junior MTS employee at the location, if unable,

2. Displace the junior employee at any location within the MTS classification, or,

3. Displace the junior employee on the system in a classification in which he holds seniority, or,

4. Accept furlough.

D. Such rights must be exercised within three (3) working days after receipt of reduction or displacement notice.

Employees abolished or bumped will be absorbed in their current classification, in their bid area, at their station, on their shift, when the Company determines a position becomes available prior to their last day worked.
RECALL:

E. Recall following a furlough shall be by Classification. An employee, who accepts furlough, may only have recall to one station at any given time and will have recall to that station for all classifications for which he has seniority.

F. An employee’s recall station shall be defined as that station an employee selects from any station from which he was reduced. Employees will not be permitted to change their recall station unless their existing recall station is closed.

G. An employee on furlough status will only be recalled to his recall station, unless he is awarded a bid, via the automated bid / recall system (TBD) for any other vacancy.

H. All employees electing furlough due to a reduction in force will maintain a current address and phone number with the Company. Any change in address and/or phone number must be updated on JetNet or by calling Team Member Services at 1-800-447-2000.

I. In the event the Company no longer staffs employees covered by this Agreement at an employee’s recall station, all employees now and hereafter on furlough from such station or who have selected such station as their recall station will be required to select a new recall station, first from any other station from which he was reduced if still active, and, if none, then from any other MTS location. This change of designated recall station must be made in the Company’s automated bid / recall system within thirty (30) days of written notice from the Company. Notification to the employee will be by certified or registered United States mail, return receipt requested, or by United Parcel Service or equivalent, confirmation of delivery requested. Failure to comply with the above will result in loss of employee’s seniority and employment status. Should the Company resume staffing of employees covered by this Agreement into an inactive station, then the employee, if reduced from that station and still on furlough, can elect through the notification procedures above to designate such station as his recall station.

J. Any furloughed employee accepting recall or bidding a job will return to the step on the pay scale occupied at the time of his furlough.

K. Employees recalled from a furlough to their former classification shall not be paid a lower rate than they were receiving prior to the furlough unless a new contract with a reduction in rates of pay shall at the time of recall be in effect between the Company and the Union.

L. Should an employee who has been recalled or awarded a bid from furlough, be bumped again prior to reporting to work, such employee will be allowed to again exercise his seniority subject to the provisions in this Agreement. Employees in this situation who are allowed to re-exercise their seniority will continue to be considered in an inactive furlough status until they return to work.
M. All notices of recall which include instructions and a required report date will be made in writing (telephonic notifications are acceptable if confirmed in writing) by certified or registered United States mail, return receipt requested, or by United Parcel Service or equivalent, confirmation of delivery requested. All employees must, accept or refuse using the on-line tool within fourteen (14) days of the date of the mailing postmark on the recall letter. An employee who has accepted recall must initiate and complete the employee portion of the background and fingerprint process via the on-line tool within seventy-two (72) hours (exclusive of weekends and holidays) of acceptance of the recall. Any additional information requested by the Company must be provided within a reasonable specified time. The Company will furnish the IAM General Chair/TWU Local President or designated Local Union Representative a copy of all recall letters.

N. Any employee who has been furloughed and is off payroll who fails to notify the Company of acceptance/refusal within the fourteen (14) days, fails to initiate their portion of the background and fingerprint application process within the seventy-two (72) hours (exclusive of weekends and holidays) of acceptance of recall, or who fails to provide any additional information requested within the specified time, or who fails to return to duty on the required report date, will be considered to have refused recall and will be removed from that seniority list.

O. If the employee requires an extension to any of the above time limits due to extenuating circumstances, it must be requested through the Company at the phone number provided in the instruction packet prior to the original deadline. The Company will furnish the IAM General Chair/TWU Local President or designated Local Union Representative a copy of all extension requests. The Company will respond to the employee within seven (7) days, with a copy to the IAM General Chair/TWU Local President or designated Local Union Representative.

P. Accrual of seniority for pay purposes shall not exceed ninety (90) days for employees who are furloughed.

Voluntary Separation in Lieu of Furlough:

Q. In any location, classification and bid area where any employee will be involuntarily reduced from the location, classification and bid area, another more senior employee who would have otherwise been unaffected by the reduction may volunteer for separation. Separation benefits will include the identical benefits as found in Article 13 (Furlough Benefits), except that such employee will be separated from the Company and will have no further rights under the agreement. Employees who have less than fifteen (15) years of service and are not eligible for retiree benefits will receive online pass travel for three (3) years on the airline and employees who have completed fifteen (15) years of service and are not eligible for retiree benefits will receive lifetime online pass travel on the airline.
NOTE: Time will start on the regularly scheduled work day following receipt of such notice and will end at the close of the regular work shift on the third (3rd) scheduled work day.
ARTICLE 13 - FURLOUGH BENEFITS

A. Employees who are furloughed through no fault of their own will be given two (2) weeks’ notice in writing or, at the option of the Company, two (2) weeks of pay at his base hourly rate.

1. The requirement of notice will not apply to a furlough caused by one of the conditions listed in paragraph B (2) of this article.

2. Any employee with one (1) year or more of service who is furloughed will receive furlough allowance. The amount of furlough allowance payable under this Article to employees eligible is contained in the following table and will be based on length of compensated service with the Company from date of employment and will be in addition to all other benefits in this Agreement.

3. Full Time Computation and Method of Payment: A week of furlough allowance shall be computed on the basis of the employee's base hourly rate at the time of his employment interruption multiplied by forty (40) hours. Furlough allowance shall be paid at the successive payroll periods immediately following the date employment is interrupted and shall continue to be paid until the employee is recalled or the furlough allowance entitlement is exhausted, whichever occurs sooner.

B. Disallowances: Furlough allowance shall not be paid when the employee:

1. Is discharged for just cause, retires or resigns.
ARTICLE 13 - FURLOUGH BENEFITS

2. Furlough allowance will not be paid if the furlough is the result of an act of God; a national war emergency, revocation of the Company's operating certificate or certificates, grounding of a substantial number of the Company's aircraft for safety reasons, or a strike or picketing causing a temporary cessation of work; however, employees will be allowed to exercise all rights in Article 12 (Reduction In Force).

3. Elects to exercise any seniority, bumping or transfer afforded him under this Agreement to remain in active service with the carrier or accepts employment offered by the carrier.

C. An employee returning to the service of the Company after being on furlough shall be credited upon re-employment with any unused furlough allowance or, if it results in a greater amount, up to a maximum of five (5) weeks of furlough allowance computed as provided in paragraph (A) above, and based on his prior period of service. In the event he is again furloughed under conditions entitling him to furlough allowance, he shall be entitled to an amount computed on his years of compensated service with the Company after the date of such return to the Company’s service, plus such amount credited to him upon re-employment.

D. Employees who are on furlough and their dependents shall continue to participate in the Company’s group medical/dental and life insurance programs for a period of ninety (90) days following their last compensable day under this Agreement provided the employee continues to pay his/her portion of the costs at active employee rate.

E. Employees involuntarily furloughed on or after the effective date of this agreement will receive on-line non-revenue travel privileges for themselves and eligible family members while on furlough for a period not to exceed three (3) years following their last compensable day under this Agreement. All other travel privileges will be governed by the Company’s non-revenue travel policy.

F. Employees who have been on furlough for more than five (5) years will not be eligible for travel under the Company’s sixty-five (65) Point Plan, unless the employee returns to active service for a minimum of six (6) months.

G. Employees, with five (5) years or more of credited service, who are furloughed and who reach age fifty-five (55), may retire from furlough status, provided recall rights have not expired, and receive retirement benefits (e.g. medical, dental, and term pass benefits).
ARTICLE 14 – HOURS OF SERVICE

A. A standard workday shall be, unless otherwise specified herein, either eight-and-one-half (8 1/2) consecutive hours, including a one-half (1/2) hour unpaid meal period or ten-and-one-half (10 1/2) consecutive hours, including a one-half (1/2) hour unpaid meal period.

B. A work week will consist of either five (5) scheduled eight-and-one-half (8 1/2) hour work days, and two (2) consecutive scheduled days off, or four (4) scheduled ten-and-one-half (10 1/2) hour work days and three (3) consecutive scheduled days off, except when:

1. as a result of employee shift swaps; or
2. working a five (5) day workweek an employee’s scheduled days off are Monday and Sunday; or
3. working a four (4) day workweek an employee’s scheduled days off are Monday, Saturday and Sunday or Monday, Tuesday and Sunday.

4. When a workweek, as described in Paragraph C, contains an observed Holiday, the work schedule for that week for all employees will have five (5) eight and one half (8 1/2) hour work days.

   The standard workweek will be five (5) scheduled eight-and-one-half (8 1/2) work days. Employees will work the standard workweek except that each quarter employees may select a four (4) day workweek as described above. Such selection must be submitted to the Company no later than the date prescribed by the Company and must designate the employee’s days-off preference, either Monday, Saturday and Sunday, or Friday, Saturday and Sunday. The Company will provide the appropriate number of four (4) day workweek schedules based on the number of employees selecting a four (4) day workweek. The Company will determine the distribution of the days-off and will be awarded in seniority order.

C. For purposes of computing pay the workweek shall begin midnight Sunday to midnight Sunday and will include any tour of duty began during this period.

   The Company will make every effort to allow an employee required as part of his work assignment to travel during regular work hours.

D. Instructors not in classroom training will be granted one (1) fifteen (15) minute rest period during the first half of a work shift and one (1) fifteen (15) minute rest period during the second half of the work shift without loss of time, for the purpose of relaxation.

E. The Company will determine the monthly work schedules in the Posted Work Schedule (including days off, starting times and known travel and work assignments) and post no later than the 1st day of the month preceding the work schedule. Once
posted, employees who are scheduled for travel assignments will have their itinerary
details approved by the Company as described in Article 19 (Travel/Travel Pay).

Once posted, the Company may change an employee’s schedule as follows:

1. Days off, workdays and/or shifts with a minimum of seven (7) days’ notice.

2. Where the original start time is between 05:30 and 08:30 and where the new
   start time remains between those hours notification is required no later than the
   end of their regular shift the day before the change.

3. For unexpected training assignments, change of shift assignments will require
   notification of three (3) days prior to the change. If this change invokes the 24
   hour rule, the employee will be paid the applicable rate.

4. Overnight Travel Assignments (Field Service), where the employee was not
   previously scheduled for overnight field service, will require notification of seven
   (7) days prior to the change.

5. Field service may be cancelled at any time.

6. Work assignments, within their scheduled hours, on a scheduled workday may
   be changed based on the needs of service.

7. In cases of sickness or the absence of an employee the company may assign a
   MTS to cover the absent employee’s posted assignments and the above
   notification requirements will not apply.

8. No employee will be required to work more than two (2) different basic shifts in a
   work week. For the application of this provision, the basic shift start times will be
   defined as follows: 05:00 – 11:59 will be shift 1, 12:00 – 17:59 will be shift 2 and
   18:00 to 04:59 will be shift 3.

   Minimum notices for schedule changes described above may be waived with
   mutual agreement of the employee and the Company.

G. When not otherwise scheduled by the Company in the posted work schedule,
employees will have Saturday and Sunday off. When not otherwise scheduled for a
specific assignment on a workday as indicated in the posted work schedule,
employees will be on “Flex Time”. Employees will elect a normal Flex Time shift
starting time not earlier than 05:30 AM or later than 08:30 AM on quarter hour
increments (example 05:30 AM 05:45 AM etc.). Employees working a four (4) day
workweek may elect a Flex Time shift starting time not earlier than 05:30 AM or later
than 07:00 AM. In the event the Company elects to establish permanent schedules
with starting times outside of the 05:30 AM – 08:30 AM window, including other periods
with flexible start times, classification seniority within the bid area will be used in the assignments.

Employees may request adjustments to their Flex Time and/or workweek quarterly. Where the Company is unable to honor all Flex Time and/or workweek requests, classification seniority within the Bid Area will be used. Approved Flex Time start times will remain in effect unless a change is requested by the employee at the beginning of the quarter and approved by the Company. Any changes required by the Company to posted Flex Times, workweek or days off for a work assignment will be in accordance with Paragraph (E) above.

H. In each bid area the Company may designate one (1) Specialist per week in the monthly schedule on a rotating and equitable basis to Field Service “Relief” to cover unscheduled training requirements that require travel. Employees scheduled as Relief may be assigned other work for which they are qualified when not assigned to travel. When not otherwise scheduled by the Company in the posted work schedule, employees scheduled for Relief will work a five (5) day workweek and have Saturday and Sunday off. When Relief employees are not assigned to travel such employees will work their normal Flex start time. Changes to Relief employee schedules are not subject to the notification provisions in paragraph (E) above.

I. Employees will not be scheduled for more than thirty (30) overnight stays away from their domicile in a calendar quarter. (Excluding any overnight stays as a result of attending training) without agreement of the MTS.

J. Employees will not be scheduled to conduct training for more than three hundred forty (340) hours in a calendar quarter.

K. The Company will make every effort to schedule employees off on all holidays covered under this Agreement.

L. With Management approval, qualified employees will be permitted to swap shifts and/or days off with other qualified employees. No overtime or paid rest will be due an employee as a result of shift swaps. No request under these provisions shall be honored in jurisdictions in which the laws or regulations either preclude such as a result of hours restrictions or require the compensation of such day/shift at overtime rates. This paragraph shall immediately apply in any jurisdiction, which may hereafter impose such restrictions or require such payment.

M. Employees who work in a location that changes to Daylight Saving Time, will on the date and shift that Daylight Saving Time goes into effect, work their regularly scheduled number of hours. Employees who work in a location that changes from Daylight Saving Time, will on the date and shift that Standard Time goes into effect, be required to work one hour in addition to their regularly scheduled workday, and will be compensated for the additional hour at the applicable overtime rate. If the Company determines that less than a full crew is required during the last hour of the shift, it may
offer employees the opportunity to leave early in classification seniority order.

N. Adverse Condition Day - When a decision is made by Federal, State or Local Government officials that prohibits an individual employee from reporting to work (i.e. Travel Ban, Curfew, or State of Emergency), the employee will notify the Company as soon as practical and the Company will approve the options listed below.

1. An employee who is scheduled and reports to work on time will be entitled to full pay for the day, unless the employee voluntarily agrees to either take the rest of the day off without pay or to use any other compensated time off (excluding block vacation and sick) to make up his wages for time missed when absent due to adverse conditions.

2. An employee arriving later than the beginning of the shift will be paid only for the actual hours worked and may use HAT (paid in a minimum of one (1) hour increments at straight time) to cover any time lost or take time missed without pay at the employee’s option.

3. When an employee is absent due to adverse conditions and is unable to report to work, he will not receive regular pay for that day. The employee at his option may use any other compensated time off (excluding block vacation and sick) to make up his wages for time missed when absent due to adverse conditions.

4. If any of the above applies, an employee will not be charged with an absence/tardiness under the attendance control policy.

O. Airport or Facility Closure - Employees will be notified by the Company of the closure and shall receive a minimum of half of their regular scheduled hours pay at the regular hourly rates, unless notified that there will be no work at the close of the last shift he worked, or sixteen (16) hours before the start of his regular work shift, whichever period is shorter. The employee at his option may use any other compensated time off (excluding block vacation and sick) to make up his wages.

P. Employees working a standard shift shall be granted an uninterrupted thirty (30) minute unpaid meal period, except when a longer period is agreed upon between the parties (the Company and Local Union), to begin not earlier than three (3) hours after the commencement of the scheduled shift and not end later than five and one-half (5 1/2) hours after the commencement of the scheduled shift. Every reasonable effort will be made to allow all employees to take their meal period as scheduled. However, if the employee’s meal period is interrupted, due to operational necessity, he will be paid an additional thirty (30) minutes at the rate of time and one-half (1.5x) and the employee will then be rescheduled for an uninterrupted meal period beginning no later than six and one-half (6 1/2) hours after the commencement of the scheduled shift.

Q. Employees working a scheduled shift longer than the standard shift shall be granted an uninterrupted thirty (30) minute unpaid meal period, except when a longer period
ARTICLE 14 – HOURS OF SERVICE

is agreed upon between the parties (the Company and Local Union), to begin not earlier than four (4) hours after the commencement of the scheduled shift and not end later than six and one-half (6 1/2) hours after the commencement of the scheduled shift. Every reasonable effort will be made to allow all employees to take their meal period as scheduled. However, if the employee’s meal period is interrupted, due to operational necessity, he will be paid an additional thirty (30) minutes at the rate of time and one-half (1.5x) and the employee will then be rescheduled for an uninterrupted meal period beginning no later than seven and one-half (7 1/2) hours after the commencement of the scheduled shift.

R. To the extent applicable law requires that employees covered by this Agreement be provided with different break and meal periods than are set forth in this Agreement and such law cannot be waived by the parties, an employee shall be entitled to the more generous break and meal period schedule provided by applicable law or this Agreement.

S. Employees who are involuntarily changed from Monday/Sunday to another set of days off will be transitioned to Monday/Tuesday off for one week and then to new days off the following week to ensure affected employees receive two (2) days off each week. This provision does not apply to employees who voluntarily bid a position.
ARTICLE 14.1 – ABSENCE FROM DUTY

An employee unable to report for duty will, unless prevented by reasons beyond his control, notify his immediate supervisor or other central point set up for reporting purposes by the Company as far in advance of the scheduled starting time of his shift as possible. Notwithstanding the above, an employee may flex the starting time, up to fifteen (15) minutes without pay or penalty to the attendance record, twice per calendar year.
ARTICLE 16 – COMPENSATION

During the period of this Agreement, the rates of pay for the classifications of work covered will be in accordance with the Wage Schedules shown in Article 16 (Compensation), which are incorporated and made a part of this Agreement.

The hourly rates of pay as set forth in this Article shall be effective on the first Monday after the date of ratification.

During the period of this Agreement, the chart rates of pay for the basic classifications of work will be as specified on the appropriate pay charts below.

A. Flexible Starting Rates

1. In the event that the Company, in its sole discretion, finds that any or all of its starting pay rates (Step 1) as specified in Article 16 (A), are noncompetitive with local market starting rates for similarly situated jobs, the Company may hire applicants in any classification at any station/base/location at rates of pay higher (Step 2 through the maximum hourly rate in the applicable pay scale) than those starting rates specified in Article 16 (A). As market conditions change, the Company may, in its sole discretion, change its designated starting rate. Such designated starting rate may be higher or lower than previous designated starting rates; however, such starting rate may not be lower than Step 1 nor higher than the maximum hourly rate in the applicable pay scale.

2. In those stations/base/locations where higher starting rates of pay are designated in accordance with Article 16 (B) (1), all employees in that classification(s) at that station/base/location who are receiving less than the new designated starting rate of pay will have their rate of pay concurrently increased to the new designated higher starting rate for that classification(s) in that station/base/location.

3. An employee receiving a flex rate of pay will remain at that pay step on the pay scale until such time that his seniority reaches a point that would allow him to advance to the next step.
ARTICLE 16 – COMPENSATION

4. An employee who transfers to or from a station/base/location which has an adjusted starting rate of pay for his classification will have his rate of pay adjusted upward or downward to conform to the rate of pay received by an employee with the same Pay seniority as his, at his new station/base/location. Such adjusted rate may not be less than Step 1 nor higher than the maximum hourly rate in the applicable pay scale.

5. It is understood and agreed that the effective dates of step increases and other changes in pay rates are determined by the employee's Pay seniority.

B. An employee who permanently transfers at his own request to another classification of work as provided in any Association Agreement will continue to receive his same hourly rate per hour but, in no event, will his hourly rate exceed the maximum rate for the classification to which he transferred.

1. If his hourly rate at the time of such transfer is not the same as any regular rate per hour for the classification to which he transferred, he will immediately receive the nearest higher regular rate per hour for such classification. Thereafter, the employee shall progress on the normal progression scale in the new classification. In the case of a transfer from a higher to a lower classification caused by a reduction in force under this Agreement, the above rules will apply.

2. The Company may hire a new Employee(s) at a pay scale step above the beginning step provided there is not a more senior Employee who is paid less than such new Employee(s). The Company retains the right to pay the wage rates stated in the pay scale to Employees hired subsequent to any Employee(s) hired and paid at a rate above the beginning step.

C. Shift Differential Premium will be paid as follows:

1. An employee assigned to a shift, which begins at or after 9:00 a.m. and before 7:59 p.m. will receive a shift differential of fifty one (\(0.51\)) cents per hour.

2. An employee assigned to a shift, which begins at or after 8:00 p.m., and before 5:59 a.m. will receive a shift differential of fifty eight (\(0.58\)) cents per hour.

3. No shift differential will be received by an employee assigned to a shift which begins at or after 6:00 a.m. and before 8:59 a.m.

4. An employee whose assignment is to cover for shift relief or days off will be paid a premium of sixty one (\(0.61\)) cents for all hours worked during the week.
Example Start Times:

- 6:00 a.m. to 8:59 a.m. None
- 9:00 a.m. to 7:59 p.m. 51¢
- 8:00 p.m. to 5:59 a.m. 58¢
- Relief shifts 61¢

D. An employee will receive the shift differential applicable to the shift to which he is regularly assigned. The applicable shift differential will be included with the employee’s base hourly rate in the calculation of pay for overtime, vacation, holiday, sick leave benefit, and benefits paid for absence due to an occupational illness or injury compensable under the applicable Workmen’s Compensation law.

E. An employee’s base pay will mean the chart rate plus any applicable premiums and/or differentials and will apply to the calculation of pay for any overtime applications, vacation pay, holiday pay, sick leave pay, travel pay, field trips, furlough or severance pay, sick leave conversion to an HRA and pay for occupational illness or injury (OJI).
ARTICLE 17 – PROFIT SHARING

A. The terms of profit sharing benefits for TWU/IAM Association represented employees (which replace and supersede any previous profit sharing provisions) shall be as set forth in this Article 17.

B. TWU/IAM Association represented employees will be eligible for annual profit sharing award payments if, for the year that the profit sharing award payment is attributable, (i) the employee received eligible earnings (under the meaning used by the current AAG profit sharing plan) from the Company for that profit sharing year and (ii) remained employed on the last day of that profit sharing year, or whose employment terminated during the profit sharing year by reason of the employee’s retirement, involuntary furlough, disability, or death.

C. For each profit sharing year, the Company will calculate profit sharing award payments as follows:

1. An amount equal to 10 percent (10%) of the dollar amount of American Airlines Group Inc.’s (“AAG”) Pre-Tax Earnings up to $2.5B for that year, and, an amount equal to 20 percent (20%) of the dollar amount of AAG’s Pre-Tax Earnings above $2.5B for that year will be attributed to a profit sharing pool (“Total Profit Sharing Pool”).

2. A percentage of the Total Profit Sharing Pool will be allocated to the eligible TWU/IAM Association represented employees by dividing the total eligible earnings of the TWU/IAM Association represented employees by the total eligible earnings of all participants in AAG’s profit sharing program(s) (“TWU/IAM Profit Sharing Pool”).

3. The TWU/IAM Profit Sharing Pool will be divided by the amount of all the TWU/IAM Association represented employees’ eligible earnings, and the resulting quotient shall be the “payout percentage.”

4. The amount of the profit sharing award payment for each TWU/IAM represented employee who is eligible for a profit sharing award for a profit sharing year shall be the product of the payout percentage multiplied by such eligible employee’s eligible earnings from the Company for the applicable profit sharing year.

D. “AAG’s Pre-Tax Earnings” means the earnings of AAG provided that such “earnings” are determined (i) before any applicable income tax expense, and (ii) by excluding all accruals under profit sharing plans and any other incentive compensation plan or agreement, and all extraordinary, unusual, one-time, restructuring, reorganization, integration, reduction in force, or other similar accounting adjustments as may be determined by the compensation committee of the Board of Directors in its discretion, after consultation with AAG’s independent auditors; and provided, further, that AAG’s Pre-Tax Earnings remain positive after accruals under profit sharing plans and all other incentive compensation plans or agreements are taken into account.
ARTICLE 17 – PROFIT SHARING

E. Profit sharing award payments shall generally be made by March 15 of the subsequent calendar year or other such date as required by applicable law.

F. The Company retains discretion over all profit sharing related matters not specifically addressed in this Article.
ARTICLE 18 - OVERTIME

A. The applicable rate of pay, computed on an actual minute basis, adjusted to the nearest tenth (1/10) of an hour with a minimum of one (1) hour overtime, shall be paid.

1. The rate of time and one half (1.5x) shall be paid for the first four (4) hours worked by an employee in advance of or after his regular scheduled hours on a regularly scheduled day, and for all hours worked by an employee on a regularly scheduled day off for his first eight (8) hours, except as provided in paragraph A (2) and (3).

2. The rate of double-time (2x) shall be paid as follows:

   a. For all hours in excess of the first eight (8) paid hours, on any one (1) of the employee's regularly scheduled days off in each work week.

   b. If shift coverage is required for a ten (10) hour shift call, it will be paid as follows, first eight (8) hours at time and one half (1.5x) the remaining hours will be paid at double time (2x).

3. The rate of double-time (2x) shall also be paid to an employee who in a twenty-four (24) hour period, works in excess of twelve (12) hours if the employee is regularly scheduled to work an eight (8) or ten (10) hour schedule.

B. For overtime purposes, the twenty-four (24) hour period will begin with the starting time of the employee's regularly assigned shift. Notwithstanding this twenty-four (24) hour rule, the rate of double time (2x) shall be paid to an employee for all work in excess of twelve (12) hours where the first twelve (12) hours worked have been consecutive.

C. When an employee works on his scheduled day(s) off he will be entitled to at least eight (8) hours of work at the applicable overtime rate.

D. Employees who change shifts or days off due to realignments or bidding on another job shall not be paid overtime as a result of such change. However, an employee shall be paid overtime when his shift, or days off are changed by the Company and the work week provisions are thereby violated.

   Example: Employees that do not have the seniority to remain on their shift during a realignment, or who are bumped or abolished and therefore required to bid to a different shift will be paid at the overtime rate if the work week provisions are violated.

E. After all employees within the bid area have been proffered the overtime assignment and additional manpower is still required, qualified personnel from another bid area may be requested to work overtime.

F. No employee will be expected to work overtime against his wishes.
G. For continuous service after regular working hours, employees will not be required to work more than two (2) hours without being permitted to take a thirty (30) minute unpaid meal period in which to eat.

H. Employees reporting for work of at least four (4) hours pre-shift will be allowed a thirty (30) minute unpaid meal period in which to eat within their pre-shift period.

I. When an employee completes his shift and is recalled to work, not in conjunction with his regularly scheduled shift, he will be paid no less than four (4) hours at the overtime rate applicable for each call.

J. When an employee is contacted outside of work for a technical support related question or problem not related to the employee’s oversight, he will be paid not less than one (1) hour at his base hourly rate. This provision does not apply to general notice phone calls, offering overtime, or other administrative issues.

K. Employees who have been required to work sixteen (16) consecutive hours (exclusive of an unpaid meal period) which results in less than seven and one half (7 1/2) hours rest prior to the employee’s regular shift in the succeeding workday, the employee will receive straight time rates until the seven and one half (7 1/2) hour rest period is achieved and will report for the remainder of his scheduled shift.

L. If an employee has worked sixteen (16) consecutive hours (exclusive of an unpaid meal period) at his home station he must have a rest period of seven and one half (7 1/2) hours. At the end of the seven and one half (7 1/2) hour rest period he will again be governed by the overtime rules.

M. No overtime shall be worked except by direction of the proper supervisory personnel of the Company, except in cases where prior authority cannot be obtained.

N. If the Company bypasses any employee(s) in violation of this Article, excluding the application of paragraph (A) above, the Company will pay the equivalent number of eligible employee(s) with the lowest hours on the Overtime List. The award will be the number of hours missed on that overtime opportunity at the applicable overtime rate. The employee(s) will be charged the appropriate hours on the Overtime List.

O. Overtime work will be distributed among the employees qualified to perform the work necessitating overtime within their appropriate bid area as equitably as practicable in accordance with Overtime Distribution Procedures. The Company will establish the administrative process used to sign-up, offer, and award overtime.
ARTICLE 19 – TRAVEL/TRAVEL PAY

A. Employees required to attend training outside their location on a scheduled workday will receive a minimum of eight (8) hours pay inclusive of travel time. Employees required to attend training outside their location on a scheduled day off will be compensated at the applicable rate for actual classroom hours.

B. An employee required to travel on any scheduled work day away from his station, either before or after his regularly scheduled shift, will be compensated at the applicable overtime rate. The Company will not change an employee's days off solely to avoid the payment of travel time. Travel time includes all required flight time by the most direct route, all required connecting and required waiting time from the conclusion of training, excluding overnights. All travel time on a scheduled day off will be paid at the employee’s applicable overtime rate, but in no event for less than four (4) hours. Travel time in this Article will begin ninety (90) minutes before the scheduled departure of the flight actually taken by the employee, or any earlier flight for which he stood by, and will end thirty (30) minutes after the actual gate arrival at the destination. If the training is at an offsite location, reasonable time will be paid for travel to the location.

C. An employee will have his itinerary and work schedule, including all training, known expenses and overtime approved by his supervisor before the commencement of the travel.

D. The Company will furnish positive space transportation for all on-line required business travel in accordance with Company policy.

E. Employees required to remain overnight in conjunction with assignment, will be permitted individual hotel accommodations.

F. An employee involved in conducting or attending training away from his station will receive an hourly per diem allowance of two dollars and thirty cents ($2.30) per hour domestic and two dollars and eighty cents ($2.80) per hour international, to cover all incidental expenses (excluding lodging and transportation cost) incurred during such assignments; with an increase of five cents $.05 per hour on January 1st of each year. The per diem allowance will commence sixty (60) minutes before the scheduled departure of the flight actually taken by the employee, or any earlier flight for which he stood by and will end thirty (30) minutes after the actual gate arrival at his home airport. The time of departure and return will be provided by the employee and included on his expense report for such assignments. Such employee will not be entitled to the foregoing hourly per diem during periods of time he has returned to his residence or his station inclusive of travel time during personal time off from training.

G. For international training where the employee’s total reimbursable meal and incidental expenses (as established by Company Policy) exceed his total daily per diem allowance, upon submission of actual itemized receipts, the employee shall be reimbursed up to an amount equivalent to the difference between his total daily per

MTS ARTICLE 19- TRAVEL/TRAVEL PAY
diem allowance and the amount provided for under the M&E rates published by the State Department (www.state.gov).

H. When required to remain overnight to conduct or attend training in locations where transportation between the hotel and the training event and the hotel and restaurants is not available, the Company will authorize a rental car, taxi or other means of transportation. When a rental car is provided it will be at least a mid-sized car; for every 1 to 4 employee(s). The employee will be reimbursed for all reasonable transportation expenses by providing receipts.

I. Upon application, an employee will be given an advance by the Company to cover his expenses while away from his station.

J. Within five (5) days after returning to his station, or at the close of each week in the event an employee is away for a period longer than one (1) week, the employee shall submit an expense report in accordance with Company regulations, and if the employee has returned to his station, it shall be accompanied by the balance of any expense money advanced, but not accounted for on the expense report.

K. Employees will not be required to fly on a single engine aircraft in the performance of their duties.

L. No employee will be required to travel and/or conduct training classes outside the American Airlines system and/or outside of locations where the Company has aircraft maintenance performed unless the Company and the employee reach a mutual agreement on all issues related to the assignment, excluding base rate of pay.

M. When Maintenance Training Specialists are required to be trained:

1. Such training requiring travel normally will be scheduled to provide at least seven (7) calendar days of notice to the employees affected, except in the event of training required to meet unanticipated conditions such as airworthiness directives, fleet campaign directives, or vendor instructions. This provision will not require the notice to employees exercising seniority under Article 11 of this Agreement.

2. To the extent that work requirements permit, training will be accomplished during the employee’s regular working hours.

3. Computer based training will be completed on Company computers during working hours.

N. Each specialized or manufacturer’s training which is for more than five (5) work days may require a stability period of up to one hundred twenty (120) days. Stability periods will begin the day the employee completes specialized or manufacturer’s training. Recurrent or familiarization training will not be considered specialized training.
ARTICLE 19 – TRAVEL/TRAVEL PAY

O. Employees in a one hundred twenty (120) days stability period may bid positions and will be awarded based on Article 9 (Filling of Vacancies) of this agreement. In the event an employee is awarded a position during the stability period the company may withhold that transfer until the completion of his stability period.

P. If for any reason the employee on an assignment away from his base is released by an authorized agent of the Company for a period of eight (8) consecutive hours or more, he shall not be paid for the time released, but in no event shall the employee receive less than eight (8) or ten (10) hours pay based on the employee’s schedule for the day, during any twenty-four (24) hour period while away from his base station.

Q. The Company will reimburse Training Specialists for the cost of TSA Precheck and any passports, passport renewal, passport photos, visas and inoculations where Training Specialists are required to have these as part of their job assignment.
ARTICLE 21 - ISSUANCE OF SIDA BADGE

A. Renewing SIDA Badge

1. Employees who renew a SIDA badge at a station shall be permitted to complete the renewal process during their regularly scheduled shift if the SIDA office is open during those shift hours. If an employee’s regularly scheduled shift is other than when the SIDA office is open, the employee shall be paid at straight time for the time required to process the application during their off-duty hours.

   If the renewal of an employee’s SIDA badge is delayed and the SIDA badge expires, the employee shall be placed on a personal leave of absence with reinstatement rights for SIDA access for up to ninety (90) days, unless extended by the Company on the basis of extenuating circumstances.

B. Obtaining a New SIDA Badge

1. Upon notification of transfer or bid award, the Company will provide the employee with a phone number, email address, and the name of the employee’s point-of-contact at their new station. The employee will then contact the new station’s point-of-contact within three (3) business days for instructions/paperwork necessary to get the new SIDA badge. The employee must immediately notify his existing manager that he contacted his new station point-of-contact.

2. The Company will provide necessary paperwork and/or arrange positive space transportation to the new station within seven (7) business days of the employee making contact with the new station. Should the Company fail to provide necessary paperwork and/or arrange positive space transportation within seven (7) business days of the employee making contact with the new station and notifying his existing manager, the employee will be paid at time and one half (1.5x) for all normal straight time hours worked until the above requirements are met.

3. When an employee is required to obtain his SIDA badge, he will be afforded time during his regularly scheduled shift. If an employee is required to obtain his SIDA badge outside of his regularly scheduled shift, he will be compensated at straight time rates. Employees required to travel to obtain their SIDA badge will be compensated for the minimum hours they were scheduled for that day at straight time rates. If the travel time exceeds the employee’s regularly scheduled hours or travel is on his scheduled day off, he will be compensated at straight time rates.

4. The employee will continue working in his current position at his current station for a time sufficient to allow for the processing of his SIDA badging in his new work location.

5. Following completion of the fingerprinting and SIDA application at his new station, the employee must present verification to his supervisor at his current station that the procedure is complete and he will transfer to the new location in accordance with Article 9 (Filling of Vacancies).
6. No employee will incur any cost associated with the initial issue or timely renewal of Company or associated Airport/Base required ID badges.

7. An employee who cannot obtain a SIDA badge at his new station, but can maintain his SIDA badge at his current station, will be allowed to remain in his existing classification and pay status in his bid position at his current station. If an employee cannot maintain his SIDA badge at his current station, the employee shall be placed on a personal leave of absence with reinstatement rights for SIDA access for up to ninety (90) days, unless extended by the Company on the basis of extenuating circumstances.

8. Other expenses incidental to the transfer will be borne by the employee.
RE: BACKGROUND CHECK

Revised DOR

Tim Klima
Airline Coordinator
Transportation Department IAMAW

Mike Mayes
Air Division Director
Transport Workers Union of America

The Union has recently raised the question regarding the Company position should a criminal history records check, as required under the TSA fingerprinting regulations, disclose information regarding criminal activity that is not a disqualifying offense within the meaning of the regulations, i.e., is not on the list of disqualifying offenses included in the regulations or did not occur within the last ten (10) years.

The answer is that no information obtained in connection with the CHRC will be used for any purpose not permitted under the regulations. We believe that the regulations as presently written do not provide for the use of any information regarding non-disqualifying offenses and/or any offenses that occurred more than ten (10) years before the date of the individual’s application for unescorted SIDA access.

Sincerely,

James B. Weel
Managing Director – Labor Relations
American Airlines, Inc.
ARTICLE 22 – HOLIDAYS

A. Employees will observe the following holidays each year: New Year's Day, Martin Luther King Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving Day, the day after Thanksgiving, and Christmas Day. The actual day on which the holiday falls will be observed as the holiday.

1. If a holiday falls on an employee's day off, that employee will be paid in accordance with paragraph (C) below.

2. The Company shall give at least seven (7) days' notice of any reduction in the required complement on any of the foregoing holidays.

3. When a full scheduled crew is not required to work on a holiday, employees will be offered the holiday off on the basis of classification seniority, by shift, in the bid area at that location until the reduced complement is achieved. Once the reduced complement is achieved, if the Company then finds it necessary to increase the complement, those employees in the bid area who were not afforded an opportunity to work by reason of such reduction will be asked to work first in order of classification seniority, shift and department prior to utilizing the overtime list.

4. For pay purposes the twenty-four (24) hour holiday period shall begin with the starting time of the employee's regularly assigned shift.

5. Employees receiving furlough allowance will not receive holiday pay.

6. For employees who regularly work an eight (8) hour schedule, in addition to the eight (8) hours straight time pay for the holiday, employees who are scheduled to work on a holiday shall be paid at the rate of one and a half (1.5X) times for the first eight (8) paid hours worked.

7. For employees who regularly work a ten (10) hour schedule, in addition to the ten (10) hours straight time pay for the holiday, employees who are scheduled to work on a holiday shall be paid at the rate of one and a half (1.5X) times for the first ten (10) paid hours worked.

8. Employees who work more than their scheduled hours (overtime) on a holiday will be paid at the applicable overtime as described in Article 18 (Overtime), plus straight time pay for the holiday for all additional hours worked on such holiday.

9. Employees working shift swaps on a holiday will be paid the rate of one and a half (1.5X) times the regular rate of pay on the holiday swap.

10. In order to be paid for holidays that fall during the month, employees must be in an active pay status (all hours paid) for eighty (80) hours in the month. For
ARTICLE 22 – HOLIDAYS

purposes of this paragraph, time spent on unpaid FMLA, military, and occupational injury leaves shall count towards the eighty (80) hour requirement.

B. An employee who is required to work (scheduled to work) may, at his option and upon notification to his supervisor, elect to work the holiday and be paid at the one and a half (1.5X) times for his regularly scheduled shift hours and receive one (1) compensatory day at his regular straight time rate deposited into their Compensatory bank.

C. Employees not scheduled to work or scheduled to work but not required to work on the above mentioned holidays, will be compensated for the day equal to the number of regularly scheduled hours at their regular straight time rate, or may at their option, receive one (1) compensatory day at their regular straight time rate deposited into their compensatory bank.

D. If an employee works overtime on a holiday that falls on his regular scheduled day off, he will be paid at the applicable overtime as described in Articles 18 (Overtime), plus straight time pay for the holiday for all hours worked on such holiday.

E. Any employee wishing to use compensatory day(s) must provide the Company with no less than five (5) and no more than thirty (30) days written notice prior to the posting of the monthly work schedule. The granting of compensatory day(s) will be made no more than five (5) days prior to the posting of the schedule and will be reflected in the monthly work schedule. The Company will grant the compensatory day(s) off requests up to the vacation ratio. When more than one employee seeks compensatory day(s), Company seniority will govern. Once granted, senior employees will not be permitted to take compensatory day(s) already awarded to a junior employee. If an employee gives less than the required notice above, the Company will make every effort to grant the compensatory day(s) off requests up to the vacation ratio. If the employee makes a request, which exceeds the ratio, the Company may, at its sole option, grant the compensatory day request.

F. Compensatory days may be taken in half (1/2) day increments. Employees may request in writing (may be electronic) compensatory time in increments of one (1) hour up to a maximum of three (3) hours subject to management approval.

G. The maximum number of compensatory time to be accrued will be seventeen and one half (17.5) days. Thereafter, no further accrual will be allowed and the employee will be paid at the applicable rate of pay for the holiday. When the compensatory day is granted, the employee will be paid the regularly scheduled hours for that day or half the hours if granted a half day compensatory day. If the compensatory request is granted in hours as described in (F) above, such hours will be deducted from bank.
H. The priority for the granting of compensatory time off will be as follows: Day-at-a-Time (DAT) vacation then compensatory day off.

I. Upon separation from the Company for any reason, any unused accrued compensatory time will be paid at the employee’s then current rate of pay. In case of the death of an employee, the amount due shall be paid to his legal heir or representative.
ARTICLE 23 – VACATION

A. All employees covered by this Agreement who have been with the Company for one (1) year or more as of January 1, will be entitled to an annual vacation of two (2) weeks minimum with pay.

For purposes of this paragraph, time spent on unpaid FMLA, Military, and Occupational Injury leaves shall count towards the eighty (80) hour requirement. Employees receiving Severance Allowance do not accrue vacation.

C. Employees on a Leave of Absence will accrue vacation in accordance with Article 25 (Leaves of Absence) matrix.

F. Employees will be required to bid and take a minimum of two (2) weeks’ vacation annually. Any unused vacation hours will be paid to the employee during the first quarter of the following year. These hours will be paid at the rate of pay on December 31\textsuperscript{st} of the calendar year, in which they were earned.

G. It is understood that vacation accruals shall be due from January 1, after the employee completes required specified years of service period.

H. Vacation pay is computed at the employee’s regular rate of pay.

I. Employees who have satisfied the provisions of paragraph (G) above may use any additional vacation time as day at a time vacation (DAT). Any employee wishing to use DAT day(s) must provide the Company with no less than five (5) and no more than thirty (30) days written notice prior to the posting of the monthly work schedule. The granting of DAT day(s) will be made no more than five (5) days prior to the posting of the schedule and will be reflected in the monthly work schedule. The Company will grant the DAT day(s) off requests up to the vacation ratio. When more than one employee seeks DAT day(s), Company Seniority will govern. Once granted, senior employees will not be permitted to take DAT day(s) already awarded to a junior employee. If an employee gives less than the required notice above, the Company will make every effort to grant the DAT day(s) off requests up to the vacation ratio. If the employee makes a request, which exceeds the ratio, the Company may, at its sole option, grant the DAT day request.

1. DAT days may be taken in half (1/2) day increments or (1) hour increments (HAT).

2. An employee will not be granted DAT vacation on a holiday, regular day off (RDO), or during a bid vacation period.

3. Any DAT vacation which has not been used by the end of the calendar year will be paid to the employee no later than four (4) weeks from January 1 in the following year.
ARTICLE 23 – VACATION

4. Priority for granting DAT vacation time-off will be as follows: DAT then compensatory day.

J. Vacation request for the following year must be requested in writing and submitted no later than October 15. Vacation weeks will be bid based on five (5) eight-and-one-half (8.5) hour days. Vacation requests will be awarded by Company seniority in full week increments on a single round basis. The weeks requested are to be contiguous with the employees scheduled days off unless the employee and the company agree otherwise. The company will grant Vacation requests for thirty three and a third percent (33.3%) of the employees in each bid area at each station with a minimum of one (1) using standard rounding for each week. Vacation requests, which exceed the thirty three and a third percent (33.3%) minimum, will be approved as outlined in the paragraph below.

The company may award Vacation requests above the minimum, or requests submitted after October 15 providing the training requirements can be met, as determined by Local Management.

K. Any unused accrued vacation will be paid at the employee’s then current rate of pay, upon separation from the Company for any reason. In case of the death of an employee, the amount due shall be paid to his legal heir or representative.

L. Bid Vacation periods may not be cancelled unless another vacation period can be simultaneously awarded.
ARTICLE 24 – SICK LEAVE

A. Employees with more than one (1) month service with the Company will accrue eight (8) hours of sick leave credit for each month (excluding the months of June and October) of service up to a maximum of sixteen hundred (1600) hours credit. Employees must be in an active pay status (All hours paid) for eighty (80) hours in a month to accrue sick leave for the month. For purposes of this paragraph, time spent on Military, Occupational Injury leaves, or unpaid FMLA leaves shall count towards the eighty (80) hour requirement. Employees receiving Severance Allowance do not accrue sick leave.

B. Employees shall be paid at 100% beginning with and including the first (1st) day of any illness provided they have sick leave remaining in the bank.

C. During an illness, the number of hours paid will be charged against the accumulated hours and eight (8) hours credit for each succeeding month (excluding the months of June and October), of service shall again be credited to the employee until the total credit again reaches sixteen hundred (1600) hours. Sick leave usage within a pay period will be reflected on the employee’s pay stub.

D. The Company will provide a sick leave balance on employee pay stubs. The seniority roster will also show accumulated sick leave credits.

E. Employees who have more than, sixteen hundred (1600) hours in their sick bank as of DOR, will be grandfathered and will not accrue sick leave until such time their sick leave bank drops below sixteen hundred (1600) hours.

F. An employee unable to report for duty will, unless prevented by reasons beyond his control, notify his immediate supervisor or other central point set up for reporting purposes by the Company as far in advance of the scheduled starting time of his shift as possible.

G. The employees and the Union recognize their obligation of being truthful and honest in preventing unnecessary absences or other abuses of sick leave privileges. Employees may be required to present confirmation of illness and the Company reserves the right to require, when in doubt of a bona fide claim a physician’s certificate to confirm such sick claim. Employees who abuse sick leave privileges may be subject to disciplinary action by the Company.

H. Except as specified in K (2) of this Article, only hours absent due to illness or injury of the employee which are not compensable under the applicable Worker’s Compensation Laws will be paid for from his allowed sick leave. Payment will be based on the employee’s regular hourly rate.

I. The intended purpose of the sick leave benefit is to protect the earnings of the employee during necessary absence from work due to illness or injury, and to aid the employee in meeting bills when sickness or injury have temporarily taken away his ability to work.
ARTICLE 24 – SICK LEAVE

J. Employees are not eligible for sick pay on a designated holiday. Holiday as used in this Article is defined as the twenty-four (24) hour period beginning with the employees’ regular scheduled shift.

K. During an employee's absence due to an occupational illness or injury compensable under the applicable Workers' Compensation Law, he will receive from the Company the following benefits:

1. For the first twenty (20) workdays absent, the difference between his regular hourly rate of pay and Workers’ Compensation payments, if any.

2. At the conclusion of the period referred to in (1) above, an employee drawing Workers’ Compensation may, at his option, draw upon his accrued sick leave up to the extent of his accrual at the rate of up to one-half regular pay. Provided, however, the sum of such Workers’ Compensation weekly payments plus such sick pay benefits will not exceed the employee's regular base weekly pay. Corresponding deductions will be made from his available sick leave accrual. Deductions will be to the nearest 0.1 of an hour up to a maximum of one-half day of sick leave.

3. These benefits will be in lieu of any other payment provided for in this Article for all absences due to the same illness or injury.

L. Upon separation from the Company, an employee will be paid ten-dollars and eighty cents ($10.80) for each hour of accrued sick leave in his sick bank.

M. To the fullest extent permitted by law, this Agreement shall operate to waive the provisions of any sick leave laws that are inconsistent with the terms of this Agreement, and shall supersede and be considered to have fulfilled all requirements of such laws. To the extent applicable law is inconsistent with the terms of this Agreement, and such law is not waivable, an employee shall be entitled to the more generous sick leave protections provided by applicable law or this Agreement.
ARTICLE 25 - LEAVES OF ABSENCE

A. All requests for leaves of absence, or extensions, shall be submitted to the Company, in writing on the proper form. The Company will provide a monthly report to the Local Committee/TWU Local President listing the employees covered by this Agreement who are on a leave of absence.

B. Personal Leave of Absence

When the requirements of the operation will permit, an employee may be granted an unpaid Personal Leave of Absence, referred to as "PLOA," for any period of up to one (1) year. A request for PLOA must be submitted to the Company in writing in accordance with paragraph (A) above. The request will state the reason for the leave and the duration of the leave. An approved PLOA will be granted in writing and will specify the expiration date of the leave. When a PLOA is granted, the employee will retain and continue to accrue seniority during the entire period of the leave.

1. If the initial leave is requested for less than one (1) year and the requirements of the operation will permit, a PLOA may be extended for additional periods such that the total leave does not exceed one (1) year. A request for an extension of a PLOA must be submitted and approved prior to the expiration date of the current leave.

2. An employee on a PLOA may submit a request to terminate his leave prior to the expiration date of the leave. The request must be in writing and the Company’s response to the request will be in writing.

3. Based on the requirements of the operation, the Company may cancel any PLOA at any time prior to the expiration date of the leave. In the event the Company elects to cancel a PLOA, the affected employee will be notified in writing not less than fourteen (14) days prior to the effective date of the cancellation.

C. Adoption/Maternity/Paternity Leave

Upon request and when accompanied by the required documentation substantiating the need for such leave, an employee will be granted an unpaid adoption/maternity/paternity leave of absence of up to eight (8) weeks, and for any additional period that may be required by applicable law. For maternity leave, the employee must exhaust all sick time before going unpaid.

1. Adoption leave will commence on the date the employee takes custody of the child or the date the child is placed in the employee’s home. Maternity/paternity leave will commence on the day the infant is born.

2. The Company may require adoption/maternity/paternity leave to run concurrently with FMLA leave (if such leave otherwise qualifies as FMLA leave). If the employee has exhausted or exhausts FMLA Leave prior to or during this eight (8) week period, the Company will grant adoption/maternity/paternity leave of up to,
but no more than, eight (8) total weeks from the birth or adoption of the child unless an additional period is required by applicable law.

D. Family Medical Leave Act

Employees will be eligible for leave from work pursuant to the terms of the Family and Medical Leave Act (FMLA) of 1993, as amended. When approved FMLA leave is taken for an employee’s own qualifying serious health condition, the employee must exhaust all sick time and may also, at his option use any accrued vacation or comp time before being placed on unpaid status.

1. When approved FMLA leave is taken for any other reason provided for under FMLA, the employee may at his option use accrued vacation or comp time prior to going unpaid, but cannot use sick time unless required by state law. An employee granted a leave of absence under the provisions of FMLA, referred to as a Family Leave of Absence or "FMLA," will retain and continue to accrue seniority during the leave.

E. Union Leave

Employees accepting full time employment with the Union (TWU Local Officers, District Lodge Representatives, IAM/TWU International Representatives) shall, during such employment, be granted an indefinite leave of absence by the Company. Such leave will not affect the seniority status of the employee and all employee benefits shall continue in effect during his leave of absence.

1. TWU Local Presidents will have their base hourly rate paid by the Company while in office based on a forty (40) hour work week, as if active.

2. For any other employee(s), who are required for bona fide Union business, leaves of absence of thirty (30) days or more will be granted if a written request is submitted to the employee’s supervisor at least thirty (30) days (or less if mutually agreed to) in advance to accommodate the request. This advance notice requirement will also apply to any request for an employee to attend a Union Convention. When the employee is on Union business there will be no interruption to the employee’s pay and benefits, but the Company will bill the Union as applicable, for the employee’s salary plus an eight percent (8%) override for tax and benefit related expenses. Failure of the responsible party to pay the billing will result in the termination of the union leave for the affected employee.

3. For any other employee(s), who are required for bona fide Union business, of less than thirty (30) days will be granted reasonable time off if a written request is submitted to the employee’s supervisor in advance to accommodate the request. When the employee is on Union business there will be no interruption to the employee’s pay and benefits, but the Company will bill the Union as applicable, for the employee’s salary plus an eight percent (8%) override for tax and benefit
related expenses. Failure of the responsible party to pay the billing will result in the
termination of the Union leave for the affected employee.

F. Medical Leave of Absence

Any employee who has exhausted all sick leave, and continues to be absent due to
sickness or non-occupational injury in excess of fourteen (14) days, will be placed on
unpaid medical leave of absence using the standard leave of absence form, and must
present proper medical documentation detailing reason(s), physical limitations, time
limits, etc. When an employee is placed on an unpaid medical leave of absence due
to sickness or injury, the Company will send the employee, via certified U.S. Mail to
the employee’s last known address and return receipt or equivalent carrier, unless the
employee mutually agrees to electronic communication, a personal information
package within ten (10) days from the start of the unpaid leave including a letter
advising of his unpaid leave status, benefit information, and notice of the requirement
for medical substantiation.

1. An employee granted an indefinite medical leave, which does not detail time limits,
shall at the end of the first one hundred eighty (180) day period reconfirm his
sickness or physical disability. If the sickness or disability continues, the employee
may be required to reconfirm his medical condition, at the end of each one hundred
eighty (180) day period.

2. Employees, who exhaust sick leave, due to sickness or occupational injury and
are placed on an unpaid medical leave of absence, will remain eligible for group
health benefits for twelve (12) months at the active Company subsidized rates
provided he pays his share of the cost as if active. At the end of the twelve (12)
months the employee can continue coverage if he pays the full cost up to the length
of the leave.

3. Employees not returning from Medical leave due to sickness or occupational injury
within five (5) years will be deemed to have resigned from their position. This,
however, shall not be automatic. Instead, the Company, upon request from the
employee prior to the expiration of the five-year (5) term, shall consider whether
an additional period of leave of a specific duration may be reasonable. The
Company will provide one hundred eighty (180) calendar days written notification
prior to the expiration date of the five (5) year period. The notification will be made
via certified U.S. Mail return receipt or equivalent carrier to the employee’s last
known address.

G. Employees on sick leave, personal leave, authorized Union business leave, medical
leave of absence, or occupational injury leave for more than ninety (90) work days will
return to work in accordance with the provisions of this Article.

1. An employee returning from an authorized leave of absence, or extension thereof,
will be returned to the Bid Work Area and Shift held when the leave was granted.
ARTICLE 25 - LEAVES OF ABSENCE

If the job no longer exists, or has been filled by a more senior employee, he shall exercise his seniority within his bid area by bumping the junior employee in the bid area. In the event that a returning employee causes another employee to be bumped, the junior employee on the overage shift will be required to bump the junior employee in the bid area.

H. Military Leave

Employees will receive a maximum of eighty (80) hours free from duty each calendar year for annual reserve or guard duty. Such leave will not count against the employee’s vacation. The Company will pay the employee the difference between his regular pay and the amount received from the military. Employees will be required to provide the Company with a copy of their military orders and will be required to submit to the Company proof of the amount of pay received from the military within fourteen (14) days after the employee returns. This amount (excluding expenses) will be deducted from the employee’s next paycheck. While an employee is active in the reserve or guard, he will have his days off adjusted, if requested seven (7) days in advance, to attend weekend drill duty.

I. Political Leave

Any employee elected or appointed to a full-time governmental office (i.e., Federal, State, Local) will be granted a political leave of absence not to exceed the term of office, or subsequent reelection or reappointment. The application for a political leave must be made in writing to the Company, with a copy to the Union. An employee granted a political leave will retain and accrue classification seniority for the period of the leave, however, no other Company benefits or privileges will be granted or accrued, nor will time on political leave constitute continuous service for pension plan benefits. Employees granted a political leave must give thirty (30) days notice of intent to return.

J. Jury Duty

An employee who is called for jury service will be excused from work for the days on which he is required to serve and will receive for each day of jury service on which he would have been regularly scheduled to work, the difference between his regular hourly earnings and the actual payment received for jury service. Employees must present proof of jury service and the amount of pay received therefore, if any. When an employee is required to call in or called for such service, he will be transferred to the day shift with Saturday and Sunday as his regular days off. With the completion of his jury service, said employee will return to his former shift and days off, beginning the next week.
ARTICLE 25 - LEAVES OF ABSENCE

K. Bereavement Leave

Upon providing proper documentation, employees shall be allowed three (3) work days off without loss of pay if they suffer a death in their immediate family, and up to two (2) additional unpaid days upon request (for a total of five (5) days). Immediate family for the purposes of this Paragraph shall include:

</tr>
<tr>
<td>If an employee, spouse, or Company recognized domestic partner experiences a medically documented miscarriage</td>
</tr>
</tbody>
</table>

To the extent that Company policy provides more expansive bereavement leave benefits, those benefits will be applied to employees covered by this Agreement.

L. An MTS employee may request a one-time payment for all or part of his accrued vacation/comp time while on an unpaid leave of absence. However such payment will not affect the employees leave status.

M. Any employee on personal, medical, or occupational leave of absence, of more than seven (7) consecutive days, engaging in gainful employment not provided for in this Article without written permission from the Company and the Union, or engaging in activities which may bring discredit to the Company or its employees, shall be deemed to have resigned and his name stricken from the seniority roster.

N. Unless otherwise specified, employees not returning from any leave (except Medical due to sickness or occupational injury, Military, Union or Political) within three (3) years will be deemed to have resigned from their position. This provision does not apply to
furloughs.

O. An employee on any leave of absence will physically report to his station on his first scheduled workday following the expiration of the leave. It is the responsibility of the employee to contact the Company prior to the expiration of his leave of absence to ensure that he knows his schedule and assignment. Failure to report or to secure a renewal of a leave of absence will terminate the leave of absence and his employment. It is the responsibility of the Company to inform the employee of the expiration date of any approved leave of absence. The Company will also inform the employee of the procedures regarding any benefits while on his leave.

P. Any written communication between the Company and an employee on a leave of absence will be via certified or registered United States mail, return receipt requested, or by United Parcel Service or equivalent, confirmation of delivery requested.

ARTICLE 26 – LIMITED DUTY

A. Employees who are injured in the service of the Company or have restrictions as a result of an off the job illness or injury, after the effective date of this agreement, will be allowed to work in accordance with the following, at their station, based on their classification seniority:

1. The Company will provide indefinite limited duty to employees providing that their restrictions are such that they can perform substantially all the essential elements of their job.

2. Employees who are able to perform reasonable productive work within their classification, but not substantially all the essential elements of their normal work classification will be provided limited duty for up to ninety (90) work days for an injury on the job or sixty (60) work days for an off the job illness or injury to the extent that there is meaningful work available.

3. Where the employee’s medical restrictions are such that the employee is unable to perform reasonable work within their classification, and where the Company determines that productive work (for which the employee is qualified) exists, then such work may be assigned for periods not to exceed sixty (60) work days during the recuperative process.

ARTICLE 27 - FITNESS FOR DUTY / MEDICAL EXAMINATIONS

A. Employees may be required to submit to a Company paid Medical examination at the
time of employment and any time two or more members of management concur there
is a serious question as to an employee's physical or mental condition that may impair
the performance of his duties or pose a safety hazard to himself, other employees, or
customers. The employee will be notified in writing which will include an explanation
of the reason(s) for the evaluation. The employee shall be furnished a copy of the
Company's Medical Examiner's report in writing.

B. Any information obtained by or as a result of a Company's medical examination shall
be strictly confidential between the Company, its insurance carriers, the Company's
doctor, and the employee, and shall not be divulged to any other person without the
written permission of the employee unless required by subpoena, court order or other
legal process. This information will be limited to the reason for the medical
examination as described in paragraph A.

C. During the time the employee is absent from work under the provisions of this Article,
he will be compensated at his regular rate of pay, for his regularly scheduled shifts,
exclusive of shift trades, inclusive of seniority and benefits.

D. Should the employee be deemed fit for duty the Company will return him to work
immediately, and restore him to his former position consistent with his seniority.

E. If the Company's Medical Examiner determines that the employee is able to return to
work with restrictions, the Company will then engage in a conversation with the
employee, to determine whether it is reasonable to return the employee to work with
restrictions. Upon request of the employee, a Union Representative may participate
in the conversation.

1. If the Company determines it is not reasonable to return the employee to work with
restrictions, the employee may appeal the findings of the Company's Medical
Examiner under the provisions of paragraph G of this Article, in writing, within
seven (7) days of the Company's notification to the employee.

F. When an employee fails to pass the Company's medical examination, the employee
may appeal such actions under the provisions of paragraph G of this Article, in writing,
within seven (7) days of receipt of the Company's Medical Examiner's report.

G. When an employee appeals under this Article, he shall have a review of his case as
follows:

1. The employee may employ a Medical Examiner, of his own choosing and expense,
for the purpose of conducting a physical/mental examination covering the
problem(s) and/or conditions covered by the Medical Examiner employed by the
Company which found the employee unfit for duty. The employee must take all
necessary steps to schedule this exam in an expeditious manner.
ARTICLE 27 - FITNESS FOR DUTY / MEDICAL EXAMINATIONS

2. A copy of the findings of the Medical Examiner chosen by the employee shall be furnished to the Company and in the event that such findings verify the findings of the Medical Examiner employed by the Company, no further review of the case shall be afforded. If the employee's Medical Examiner determines that the employee is able to return to work with restrictions, and the Company's Medical Examiner subsequently agrees, the Company will then engage in a conversation with the employee to determine whether it is reasonable to return the employee to work with restrictions. Upon request of the employee, a union representative may participate in the conversation. If the Company's Medical Examiner does not agree with the employee's Medical Examiner that the employee can return with restrictions, then the employee may seek review by a neutral Medical Examiner in accordance with Paragraphs G.3 and G.4 below.

3. In the event that the findings of the Medical Examiner chosen by the employee disagree with the findings of the Medical Examiner employed by the Company, the Company will, at the written request of the employee, ask that the two (2) Medical Examiners agree upon and appoint a third neutral Medical Examiner, preferably a specialist, for the purpose of making a further medical examination of the employee to determine his fitness for duty. The employee must submit the written request within seven (7) days of receipt of the findings of his Medical Examiner.

4. The neutral Medical Examiner shall then make a further examination of the employee in question, and the case shall be settled on the basis of such findings. If the neutral Medical Examiner determines that the employee is able to work with restrictions, the Company will then engage in a conversation with the employee to determine whether it is reasonable to return the employee to work with restrictions. Upon request of the employee, a Union representative may participate in the conversation. Copies of such Medical Examiner's report shall be furnished to the Company and to the employee.

5. The expense of the third Medical Examiner will be borne by the Company including all expenses related to travel such as airfare and hotel. If the employee fails to show for the scheduled appointment and has no justifiable reason, he will be responsible for any no show fee. This paragraph also applies to employees required to submit to an initial Company medical examination outside of their domicile.

H. The Company's obligation to compensate an employee who is out of work under this Article shall cease upon the earlier of an employee's failure to appeal within the specified time limits, failure to attend/schedule appointments or based on a Medical Examiner's findings as specified above. The Company, however, may excuse an employee's failure to attend scheduled appointments if it concludes the employee had a justifiable reason.

If the action taken is not satisfactory to the employee or Union Representative, it will be forwarded to the Joint Safety Committee (JSC) for further review with information from the company reporting system.

C. See that all applicable sanitary and safety regulations are complied with.

D. Make recommendations for the maintenance of appropriate sanitary and safety standards.

D. In the event that the Joint Safety Committee is unable, within sixty (60) days, to resolve an issue which has been brought to its attention, either the Company or the Union may submit the issue to the System Joint Safety Committee which will constitute a board to review the issue. Joint Safety Committee, all safety issues will be first submitted to the APC for resolution.

E. The System Joint Safety Committee will consist of two (2) full time Association Ground Safety Directors paid by the company, and an equal number of representatives of the Company's Safety office. The Company, Union and employees will cooperate towards a prevention of work related accidents and the furtherance of an aggressive safety program.

The Joint Safety Committee shall meet at least once a month to resolve safety issues and review corrective action taken for all lost time accidents, which may have occurred. Reasonable time off, without loss of pay, will be allowed for Union members of the Local Joint Safety Committee to investigate and handle safety complaints related to their locations.

Union members of the Joint Safety Committee will function in an advisory capacity and will be informed of all lost time accidents. The Joint Safety Committee will be given advance notification of testing and will be provided with the results of environmental air, noise and contaminants testing. The Company will post such results in the appropriate location in non-technical terms. The Company shall continue to post OSHA Form 200 for review by the Union at each of its locations.

The Joint Safety Committee may monitor the Company's application and compliance with state, municipal and federal safety and sanitary regulations. The Joint Safety Committee may also make recommendations for the maintenance of appropriate safety and sanitary standards.

Both the Union and the Company shall encourage employees to utilize the Joint Safety Committee for all unresolved safety related matters.

Both the Union and the Company shall cooperate in seeking resolutions to help reduce the accident frequency and severity rates.

F. No employee will be required to work under unsafe or unsanitary conditions. Proper and modern safety devices shall be provided for all employees working on hazardous or unsanitary work, such devices to be furnished by the Company. Employees will not be required to use unsafe tools or equipment. However, employees will be expected to report unsafe tools or equipment to a supervisor before refusing to use such defective tools or equipment. ARTICLE 28 - SAFETY AND HEALTH

G. Employees injured while at work shall be given medical attention at the earliest possible moment, and employees shall be permitted to return to work without signing any release of liability pending the disposition of settlement of any claims for damage or compensation. Such injured employees who are able to work will be allowed to obtain medical attention without loss of time. It is the responsibility of the injured employee to report an injury to his immediate supervisor or if unavailable, another member of management, during the work period in which the injury occurred, if or as soon as physically possible.

H. The Company will provide Personal Protective Equipment (PPE) to employees who work in areas where PPE is required by the Company or Government Statutes/Regulations. Employees will be required to use or wear the devices in performing that work.

I. The Company will provide employees with prescription and/or non-prescription safety glasses for use at work. Employees provided prescription glasses must provide their own prescription. One (1) pair of prescription glasses will be provided each two (2) year period unless damaged in the performance of their duties or due to a prescription change. The company will involve the System Joint Safety Committee in the selection of vendor and/or products to be utilized by the employees.

J. Employees covered by this Agreement shall not be required to work on aircraft or ground equipment outside of hangars during inclement weather when hangar space is available to the Company. This clause shall not apply to work on aircraft or ground equipment for immediate service or on such equipment (e.g., jet-way) that cannot be easily brought to a hangar. Suitable rain suits or protective outer garments shall be kept available at all shops or points by the Company.

K. ARTICLE 31-UNION SECURITY AND DUES CHECK-OFF

1. Employees who retain seniority under this Agreement and who are regularly assigned or transferred to employment not covered by this Agreement, are on leave, or are furloughed, will not be required to maintain membership or provide financial support as provided in Paragraph A of this Article, but they may do so at their option. Should such employee return to any service covered by this Agreement, he shall as a condition of continued employment become and remain a member in the Union, or pay service charges within thirty (30) days from the date of return to service.

2. The seniority status and rights of employees who serve in the Armed Forces shall not be terminated by reason of any provisions of this Agreement, but such an employee, upon resumption of employment shall as a condition of continued employment become and remain a member of the Union, or pay service charges within sixty (60) days from the date of return to service.

3. If an employee has resigned from the Company and is subsequently rehired, he shall as a condition of continued employment become and remain a member of the Union, or pay service charges within sixty (60) days from the date of rehire.

F. For the purpose of this Agreement, membership in good standing means that the employee represented by the Union is a member of the Union and is not more than sixty (60) days in arrears in the payment of initiation fees, assessments, and membership dues. Alternatively, an employee may not be more than sixty (60) days in arrears in the payment of service charges.

G. When an employee becomes delinquent or not in good standing within the meaning of Paragraph E above, the employee shall be subject to discharge in accordance with the following procedures. Any discharge under the terms of this Article will be based solely upon the failure of the employee to pay initiation fees, assessments, membership dues, or service charges, as specified herein, and not because membership in the Union was denied or terminated upon any other ground.

1. With respect to any discharge under this Article, the internal policy and procedures of the TWU and/or the IAM shall apply. Pursuant to those procedures, the employee shall be provided with notice of any delinquency in payment, the specific amount of payment required, and instructions for making payment within thirty (30) days of the date of the notice. If the required payment is still not received within thirty (30) days following the initial notice, a final notice of delinquency shall be issued, advising that termination of employment will be sought unless full payment in the specified amount is received within thirty (30) days of the date of the final

notice. No payments will be accepted after the expiration of the final thirty (30) day notice period. After the expiration of the final notice period, a termination request will be sent to the Company’s Vice-President – Labor Relations or his/her designee, with a copy to the employee, providing appropriate documentation that the employee has failed to make payments as required under this Article. The Vice-President – Labor Relations or his/her designee will then take all necessary and proper steps to discharge the employee from the Company’s service.

2. An employee discharged by the Company under the provisions of this Article shall be deemed to have been discharged for non-payment of dues or union financial support, and a notation so made on his employment record.

3. An employee who believes that the provisions of this Article pertaining to him have not been properly interpreted or applied may appeal his discharge directly to a neutral referee within ten (10) days after the notification of discharge. If the parties cannot agree on a neutral referee, a referee will be chosen from a panel supplied by the National Mediation Board. The alternate strike method shall be used with the employee initiating the first rejection. Such final selection of a neutral referee shall be accomplished within ten (10) days after receipt of the list of neutral referees. If the parties have not reached agreement by the alternate strike method within the ten (10) day period, the first name listed on the panel provided by the National Mediation Board shall be designated the neutral referee.

4. The hearing before the neutral referee will occur as soon as practicable, and the neutral referee will be requested to issue a decision within thirty (30) days after the hearing. The decision of the neutral referee will be final and binding on all parties to the dispute. The fees and charges for such neutral referee will be borne equally by the employee and the Union. Any other fees, charges and costs incurred relative to the hearing by any party (including legal or attorney fees) shall be borne exclusively by the party incurring the fees, charges and costs.

H. During the life of this Agreement, provided that the Union is still the collective bargaining representative for the employees covered by this Agreement, the Company agrees to deduct from the pay of each employee and remit to the TWU or the IAM, as applicable, membership dues, initiation fees, and assessments, or service charges in lieu thereof, provided that each such employee has voluntarily executed an authorization and assignment form.
ARTICLE 31-UNION SECURITY AND DUES CHECK-OFF

1. With respect to current employees covered by this Agreement, any authorization and assignment forms previously executed shall continue in full force and effect according to their terms, with American as the successor to US Airways, Inc. for employees who are IAM members or service charge payers.

2. With respect to employees hired after the date of this Agreement, a form for the purpose of Assignment and Authorization for Payment of Dues or Service Charge shall be prepared by the Union and furnished to the Company.

3. When a new employee properly executes the assignment and authorization form, the original copy will be forwarded to the Company’s payroll department. Any form which is incomplete or improperly executed will be returned to the Union.

4. An employee’s assignment and authorization may only be revoked after the expiration of one (1) year from the date of signing the authorization and assignment form, or upon the termination of the dues/service charge check-off provisions of this Article. Any notice of revocation must be in writing, signed by the employee, and delivered by certified mail to the TWU Local Union office or the IAM District Lodge office, as applicable.

5. When an Assignment and Authorization form, as specified in this Article, is received by the Company on or before a given payday, deductions will commence with the first regular paycheck following said payday, and will continue thereafter until revoked or cancelled as provided in this Article. The Company will remit to the TWU and the IAM checks in payment of all dues and service charges collected on a given payday on behalf of each, on or as soon after the payday as practicable. The Company remittance will be accompanied by a list of names, personnel numbers, and station numbers of the employees for whom deductions have been made in the particular period, arranged in order of their personnel numbers. Additionally, the remittance will be accompanied by a listing of those employees who are on unpaid leave of absence or furlough, have accepted a position not covered by this Agreement, or have terminated employment with the Company.

6. No dues or service charge deductions will be made from the wages of any employee who has executed an assignment and authorization form and who transfers to a position not covered by this Agreement, is on leave without pay, or is on furlough. Upon return to work in a position covered by this Agreement, deductions will be automatically resumed in accordance
with the time frame specified in Paragraph E (1) provided that such employee has not revoked his assignment and authorization in accordance with this Article. An employee who resigns or is terminated from the Company will be deemed to have automatically revoked his assignment and authorization and, if reemployed, further deductions will be made only upon the execution of a new assignment and authorization. Provided, however, if an employee is reinstated following a disciplinary discharge, deductions will resume automatically unless the assignment and authorization has been revoked in accordance with this Article.

7. Deductions for dues and service charges will be made from each paycheck provided there is a balance in the paycheck sufficient to cover the amount after all other deductions authorized by the employee or required by law have been satisfied. In the event of a termination of employment, the obligation of the Company to collect dues and service charges will not extend beyond the pay period in which the last day of work occurs.

8. Following submission of the assignment and authorization for a newly hired employee, a single flat sum deduction for an initiation fee (if applicable) shall be made from the employee’s paycheck, provided that there is a balance in the paycheck sufficient to cover the amount after all other deductions authorized by the employee and required by law have been satisfied.

9. If sufficient earnings do not remain after other deductions as provided in Paragraphs H (7) and H (8) above, or if there are employees on the payroll that do not have on file with the Company an authorization for deductions as set forth in this Article, the TWU or IAM, as applicable, shall be notified. Notification shall include employee personnel number, name, classification code, department, location and, if applicable, the amount of deduction for each period and total amount for the month. It shall thereafter be the responsibility of the TWU and the IAM respectively to collect amounts owed for which sufficient funds were not available for deduction.

I. The TWU and the IAM each agree to indemnify the Company and hold it harmless against any and all suits, claims, demands and liabilities, which arise out of or by reason of any action taken or not taken by the Company for the purpose of complying with any provisions of this Article. The Company agrees that in the event it is named as a defendant or charged party in any such action, the Company shall promptly notify the Union. The Union shall maintain the exclusive right to defend, settle, mitigate damages, litigate, and/or take whatever action it deems necessary and proper through attorneys of the Union’s choosing and at the Union’s cost. If the Company, nevertheless, decides to retain its own counsel, it shall do so at its own cost, and not at the cost of the Union.
ARTICLE 31-UNION SECURITY AND DUES CHECK-OFF

J. The Company will provide for voluntary employee contribution to the Machinist Non-Partisan Political League (“MNPL”) for IAM members and TWU Committee on Political Education (“COPE”) for TWU members through payroll deduction. Eligibility to participate through the payroll deduction program is restricted to those employees of the Company who are certified by the IAM or TWU to participate in the respective programs in accordance with all requirements under applicable federal and state laws. With respect to current employees covered by this Agreement, any MNPL or COPE authorization and assignment forms previously executed shall continue in full force and effect according to their terms.

K. “Union” as used in this Article shall mean the TWU or the IAM, as applicable, which together constitute the Association.
ARTICLE 32 - REPRESENTATION

A. The representation for the effective handling of grievances and disputes between the parties under this Agreement shall be:

1. The Union will be represented by properly designated Union Representatives in each station, department or location. Union Representatives shall be allowed reasonable time required for authorized Union business during working hours, consistent with the needs of the service and shall be compensated for such time at their straight time rate. "Authorized Union business" is that relating to the investigation of grievances, disciplinary action, hearings, and grievance meetings with officials of the Company. The number of representatives, that confer with management at any one time on any issue, including meetings convened under the provisions of paragraph J, will not exceed the number of management employees present plus one (1) additional representative to act in the capacity of a scribe. In the conduct of such authorized Union business, the Union Representative shall notify his supervisor of his desire to leave his work place, the reason therefore, and shall notify his supervisor of his return. When it is necessary for a Union Representative to enter a department other than his own, as a courtesy he shall notify management, if available, of that department.

B. The Company will be represented by an authorized representative at each point/station/location, who will be empowered to settle all local grievances not involving changes in Company Policy or the intent and purpose of this Agreement.

C. The Union and Company will, at all times, keep the other party advised through written notice of any change in authorized representatives.

D. It is understood that officials of either party having responsibilities under this Agreement may delegate those responsibilities to another authorized representative.

E. International Officers, Accredited Representatives, or Local Officers of the Union will, at any time during regular working hours, have access to the premises of the Company where employees are located, for the purpose of investigating grievances for employees covered by this agreement or other matters directly connected with the operation of this Agreement and its procedures for the settlement of any dispute. As a matter of courtesy, notice of an intended visit will be given to the ranking Company official or his designated representative. A visit will be subject to such reasonable regulations as may be made from time to time by the Company, but the Company will not impose regulations that will render ineffective the intent of this provision nor impair the privacy of any conference necessary to accomplish the purpose of the visit.

F. All hearings will be conducted during regular day shift working hours. Union

officers or representative(s), employee(s), and necessary employee witnesses shall receive their applicable rate of pay while handling grievances or attending hearings.

1. When the Company conducts an investigation the Union Representative, employee, and necessary employee witnesses, shall receive their applicable rate of pay.

G. No employee selected as an officer or representative of the Union will be discriminated against for lawful activity on behalf of the Union.

H. Service records shall be maintained for all employees by the Company and upon resignation or discharge from the service the employee, upon request, will be furnished with a copy of same. In discharge cases, the employee and his Union representative will have access to the personnel records applicable to the case prior to the holding of any hearing.

I. Union representatives will, upon request of the TWU Local President/IAM General Chairman, be assigned to a fixed shift and days off. The arrangements will be worked out at each station by that Union representative and the local manager.

J. In meetings for the purpose of investigation of any matter which may eventuate in the application of discipline or dismissal, or when written statements may be required, or of sufficient importance for the Company to have witnesses present, or to necessitate the presence of more than one Company supervisor, or during reasonable cause or post-accident drug/alcohol testing as provided for in this Article, the Company will inform the employee, including a probationary employee, of his right to have Union representation present. If the employee refuses representation, the supervisor’s record will reflect his refusal.

K. At the start of a meeting under the provisions of this Article, the Company will, except in rare and unusual circumstances, indicate the reason that causes the meeting and then provide an opportunity for the employee and his Union Representative to confer for a reasonable period of time. Following that period, the meeting will be reconvened and continue until concluded by the supervisor.

L. Employees covered by this Agreement who are interviewed by a Company Security Department representative as part of a Security Department investigation may, upon request, have a Union Representative present during the interview. If a local Union Representative is not readily available after the request, the Company’s Security Department will not be required to wait for his availability before conducting its interview. However, the employee in that circumstance may request the presence of another Union represented employee (peer witness) to be present. The role of the Union Representative or peer witness will be that of a silent observer only. The Union Representative or peer witness may in no way interfere nor impede the
Security Department’s investigation and/or interview.

M. Employees who are required to take a reasonable cause or post-accident drug/alcohol test by the Company may, upon request, have a Union Representative present who shall not suffer loss of pay, as a witness during those parts of the specimen collection process indicated below.

1. In those stations where a local Union Representative is not readily available, the Company will delay the test for up to one (1) hour from the time the employee requests or is notified of his right to Union representation, whichever occurs first, in order to allow the first available representative to be present at the medical facility.

2. If normal travel time to the medical collection facility exceeds one (1) hour, then the one (1) hour waiting period will be extended by the amount of travel time in excess of one (1) hour.

3. Only one (1) Union Representative will be allowed to accompany the employee to the medical collection facility and into the area where the medical collector opens the drug testing kit, completes the relevant paperwork, and secures the kit after completion of the collection process. The Union Representative will be allowed to witness the opening of the collection kit by the collector, the documentation of the chain of custody procedure by the collector and the employee, and the packaging and sealing of the kit for shipment following the collection. The Union Representative will not be allowed to accompany the employee or collector into the restroom.

N. No Union Representative will engage in any activity, which disrupts the collection process. Should the Union Representative engage in disruptive activity, the Union Representative will be required by the Company’s Supervisor to wait in the employee/patient waiting area until the collection process and paperwork has been completed.
A. For the presentation and adjustment of disputes or grievances that may arise, the procedure will be as follows:

1. **Verbal Step**

   Any employee or group of employees who believe that they have been unjustly dealt with, or that any provision of this Agreement has not been properly applied or interpreted, may present the complaint or grievance to a representative of the Union, who in turn will discuss the matter with the employee’s immediate supervisor, within five (5) days from the time when the employee first has knowledge or should reasonably have had knowledge of the alleged contractual violation that leads to the grievance. The employee’s Supervisor will give a verbal decision to the Union Representative within three (3) days of the discussion. Verbal Step decisions are non-precedential.

**Step 1**

If the employee is not satisfied with the verbal decision of the employee’s supervisor, the matter, through the Union, must be reduced to writing on a standard grievance form or electronic equivalent, and given to his supervisor or designee within three (3) days from the supervisor’s verbal decision. Upon receipt, the employee’s supervisor must state in writing his decision and return this form to the Union Representative within five (5) days from the date he receives the grievance. The Union Representative then must forward this grievance form to the Local Grievance Committee.

**Step 2**

If no satisfactory adjustment is reached in Step 1, it may be appealed in writing or electronically through the Union within ten (10) days from the receipt of the Step 1 answer to the Department Head designated by the Company or his designee, who shall evaluate the grievance or complaint and render his decision, in writing, in the space provided on the standard official grievance form or electronic equivalent as soon as possible, but not later than ten (10) days following the meeting date.

The Department Head or his designee shall establish meeting dates each month consistent with the volume of grievances at his level to assure timely resolution or disposition of such grievances.

When the Company conducts a Step 2 meeting the Union Representative(s), employee, and necessary employee witnesses, shall receive their applicable rate of pay. The Step 2 meetings will be conducted during the regular day shift hours, unless mutually agreed to otherwise.
### ARTICLE 33 - GRIEVANCE PROCEDURE

#### Step 3

If no satisfactory adjustment is reached in Step 2, it may be appealed in writing or electronically through the Union within twenty (20) days after receipt of the Step 2 answer to the Grievance Review Board (GRB). If appealed, the grievance will be reviewed by the GRB or upon request of either party, presented to the GRB. The GRB will consist of four (4) members: the Managing Director of Labor Relations or his designee, one (1) Management designee, and two (2) Union designees. The GRB will meet bi-monthly or sooner if mutually agreed between the parties. The GRB will render a decision in writing to the Union within fourteen (14) days of the meeting date. The meeting will take place at the corporate offices of the Company, or another location if mutually agreed upon, to discuss those grievances, which have not been resolved at the lower steps.

If no satisfactory resolution is reached at the GRB, the grievance and the decision may be appealed to the System Board of Adjustment/Arbitration as set forth in this Agreement, provided, however, said appeal must be submitted within thirty (30) days from receipt of the decision of the GRB or the grievance will be considered to have been withdrawn by the Union.

### Time Limits

The time limits set forth in this Article may only be waived by mutual written agreement between the IAM General Chairman or TWU Local President and the Managing Director of Labor Relations, or their designees. Failure of the employee or his Union Representatives to comply with any of the prescribed time limits will withdraw any such grievances from further consideration.

Failure of the Company to answer grievances within the prescribed time limits in Step 1 will automatically move such grievances to Step 2 of the grievance procedure.

Failure of the Company to answer grievances, other than discharge, within the prescribed time limits at Step 2 of the grievance process will result in a one-time monetary penalty of eight (8) hours additional pay to the grievant. Any monetary penalty paid does not cancel or render any judgment regarding the merits of the grievance. In addition to the monetary penalty above, the Union will have the right to move the grievance to Step 3.

#### B. An Accredited International Representative of the Union or designated Company official who believes that any provision of this Agreement has not been or is not being properly applied or interpreted which has not yet become the subject of an actual grievance, will have the right, within ten (10) calendar days after such alleged misapplication or misinterpretation has been ascertained, to protest such violation, in writing, to the other party, who will evaluate such protest and render a written decision in fifteen (15) calendar days. If no satisfactory adjustment is
reached, the grievance and the decision may be directly appealed to the System Board of Adjustment/Arbitration.

The above provision will apply to IAM General Chairman or TWU Local President with respect to improper application or interpretation of the Agreement affecting a group of employees within the jurisdiction of their Union, a grievance will be filed with the designated representative of the Company and begins at Step 3 of the above procedure.

C. Discharge & Discipline

1. For incidents that occur within the Technical Operations Organization or the employee’s assigned station, no employee who has been in the service of the Company past their applicable probationary period will be disciplined to the extent of loss of pay or discharge without being advised in writing of the charge(s) preferred against him leading to such action. Such notice shall be presented to the employee, with a copy to the Union, not later than five (5) days from the time the employee’s Operating Department or Labor Relations learns of the incident, or reasonably should have had knowledge of the incident, upon which such charge(s) is based. If requested, a special hearing will be conducted for loss of pay or discharge determinations.

2. For incidents that occur outside of the Technical Operations Organization or the employee’s assigned station, no employee who has been in the service of the Company past their applicable probationary period will be disciplined to the extent of loss of pay or discharge without an investigation being done by the Company. When the Technical Operations Organization becomes aware of the incident, the employee(s) and the Union will be notified within twenty-four (24) hours of when they become aware of such incident. If such incident requires an investigation after the initial discussion with the employee, the employee will be held out of service and compensated for all regularly scheduled hours. The employee will be considered active for all employee benefits, except employee non-revenue travel. Registered passengers are still eligible for travel benefits in accordance with Company policy. At the end of this investigation, the Company will inform the employee, with a copy to the Union, of the results of the investigation and he will be returned to work or subject to discipline, if any. If requested, a special hearing will be conducted for loss of pay or discharge determinations.

3. If an employee is held out of service without pay for any of the following reasons, all other benefits, except employee travel will continue during the investigation. Registered passengers are still eligible for travel benefits in accordance with Company policy.

   a. Action constituting a criminal offense, on or off duty.

   b. Refusal or adulteration of an alcohol/drug test or verified positive drug or
ARTICLE 33 - GRIEVANCE PROCEDURE

confirmed positive alcohol test from the date on the letter of verification/confirmation.

c. Failure to cooperate with an investigation.

4. If after the Company investigation is completed, as described in C (3) (a) (b) or (c) above, and the employee is exonerated of any wrong doing, the employee will be paid for the employee’s regularly scheduled hours during the period of time the employee was held out of service without pay. At the end of this investigation, the Company will inform the employee, with a copy to the Union, of the results of the investigation and he will be returned to work or subject to discipline, if any. If requested, a special hearing will be conducted for loss of pay or discharge determinations.

D. Special Hearing

1. Any employee suspended or discharged from service shall be granted a special hearing, provided a request is made therefore in writing to the proper Vice President of Maintenance or his designee, with a copy to the Union within seven (7) days of the suspension or discharge. The requested hearing will be held within five (5) days of receipt of such request. Within seven (7) days after the close of such hearing, the Company shall render its decision in writing, and shall furnish the employee and his accredited Union Representative a copy thereof. If the decision reached as a result of the hearing is not satisfactory to the Union, the case may then be processed in accordance with the regular grievance procedure, beginning with Step 3.

For discharge cases, failure of the company to render a decision as prescribed above will result in a monetary penalty equivalent to four (4) hours of pay per day at his former regular hourly rate until the decision is issued. Any monetary penalty paid does not cancel or render any judgment regarding the merits of the grievance. In addition to the monetary penalty above, the Union will have the right to move the grievance to Step 3.

2. In any case where it is found that the suspension or discharge is unjust, the employee will be reinstated with full seniority, paid for time lost and records corrected.

E. In cases where it is necessary that an employee be warned due to the caliber of his work and/or the general performance of his duties, such warning will be made to the employee in writing with a copy to the Union within five (5) days from the time the employee’s Operating Department learns of the incident, or in minor cases verbally in the presence of a Local Union Official, and the employee will be given a reasonable length of time to correct the matter.

F. Each disciplinary letter issued to an employee covered by this Agreement shall not remain in their personnel record for a period of more than one (1) year.

The Company will not require the employees to cross picket lines of the Company's employees legally established under contractual provisions and the Railway Labor Act on or in front of the premises. B. Except for instructing employees and assisting in experimental work, supervisory personnel will perform no work that is covered by this Agreement. Management employees may assign and/or direct the work of covered employees where Crew Chiefs are not readily available.
A. The Company has maintained a retirement plan for the employees for a number of years. The full text of “The Retirement Benefit Plan of American Airlines, Inc. for Employees Represented by the Transport Workers Union of America, AFL-CIO” (successor to “The American Airlines, Inc. Retirement Benefit Plan for Maintenance and Related Employees”) (“Plan”) is on file with the Company and is available to the employees in accordance with government regulations. The Plan has been amended to enhance and clarify benefits over time. The Plan is frozen effective 11:59 p.m. on October 31, 2012.

B. The following changes to the Plan were made by Letter dated 08/09/80.

   a. For an employee member who was first eligible to join the Plan prior to January 1, 1956, credited service will be counted from the January 1st or July 1st following his or her completion of one year of Company service.

   b. For the employee member who was first eligible to join the Plan between January 1, 1956 and April 1, 1978, credited service will be counted from the January 1st or July 1st following his or her completion of one year of Company service and the attainment of age twenty-five (25).

   c. For the employee member who was first eligible to join the Plan April 1, 1978 or later, credited service will be counted from the first of the month coincident with or next following his or her completion of one year of Company service.

   d. After December 31, 1976, credited service will not include periods of unpaid hours in excess of one hundred eighty (180) hours in a calendar year. A leave of absence for Union business for which the employee member has been paid by the Union will be counted as credited service for the Plan.

C. The following changes to the Plan were made by Letter dated 08/01/85.

   a. Effective for employees who are on the active payroll on September 1, 1985, Credited Service under the Retirement Benefit Plan will include any periods of employment during which an employee would have accrued Credited Service if the age 25 eligibility restriction had not existed in prior years. Credited Service will be counted from the January 1st or July 1st following completion of one (1) year of Company service.

   b. For purposes of the preceding paragraph, "on the active payroll" means actually at work. It will also include employees who retire from the active payroll in the calendar month preceding September 01, 1985, those who are on a paid sick or vacation period, on an overage leave, or on a Union leave on September 01, 1985. It does not include employees who are on a personal leave of
absence, unpaid sick leave, or other unpaid absence from work on September 01, 1985, unless they actually return to work.

D. The following changes to the Plan were made by Letter(s) dated 05/05/89.

a. A new vesting schedule will apply to employees who perform at least one hour of service for which they are paid on or after January 1, 1990.

b. The new vesting schedule will provide that such employees will become 100% vested after completing five years of vesting service as defined in the plan. Prior to completing five years of vesting service, employees will have 0% vested benefits.

c. Rules for counting vesting service and for applying breaks in service remain unchanged from the current plan.

d. The Company agreed to retroactively credit all pensionable hours worked past age 65 for TWU represented employees who retire from the active payroll after January 1989.

E. The amendments covered in Article 40(e) will be applicable only for those members classified as "Maintenance & Related", who are on active payroll or on an approved leave of absence with recall rights as of 03/01/01 and whose benefits commence on or after the first day of the month following 03/01/01.

a. Final Average Compensation

   The compensation used for calculating a member's retirement benefit will be the average of the highest forty eight (48) consecutive months of pay out of the one hundred and twenty (120) consecutive months of pay preceding the date of retirement. The definition of the compensation used to determine the forty-eight (48) and one hundred and twenty (120) month periods is unchanged. Various formulas exist for benefits, e.g., 1.667 X Final Average Earnings X Years of credited service, which are also unchanged.

b. Eligibility For Benefits – Early Retirement

   A member will be eligible for early retirement on or after attaining the earlier of:

   i. age 55 and fifteen (15) years of credited service; or

   ii. age 60 and ten (10) years of credited service.

c. Early Retirement Benefits
Pension benefits determined as of early retirement will be reduced 3% for each year that the member is less than age 60.

F. After October 31, 2012, no further benefits will accrue under the Plan. Benefits for current employees who are participants in the Plan will be determined based on their pension accrual calculated as of October 31, 2012, and no new participants will be added to the Plan after October 31, 2012. This pension freeze will not result in the loss of any pension benefits accrued through October 31, 2012. Service performed after October 31, 2012, will not be counted for any purpose except as otherwise required by law. The benefits accrued as of October 31, 2012, will remain obligations of the Plan and its related trust on behalf of existing Plan participants and will be paid in accordance with the terms of the Plan.

Technical Crew Chief – Maintenance Training Specialist
Transition

In negotiations to form joint collective bargaining agreements (“JCBAs”) following the merger of American Airlines, Inc. (“American”) and US Airways, Inc., American and the TWU/IAM Associations (the “bargaining parties”) agreed to establish five (5) separate collective bargaining agreements. This Letter of Agreement addresses a group of employees who are affected by the transfer of their work from the coverage of one pre-merger collective bargaining agreement (the Mechanic & Related CBA) to a different post-merger JCBA (the MTS JCBA).

The attached list of pre-merger American Technical Crew Chiefs are performing Maintenance Training functions that will be transferred to and be covered by the JCBA known as the Maintenance Training Specialists Agreement (“MTS JCBA”). Upon ratification of the new JCBAs, seniority for these affected employees will be as it appears on the June 15, 2017 integrated MTS seniority list and their pre-merger Mechanic & Related basic classification seniority will continue to accrue.

The bargaining parties agree to provide these affected employees a one-time, non-precedent setting and irrevocable opportunity to elect not to follow their Maintenance Training work and, instead, to remain under the coverage of the new Mechanic & Related JCBA in a position within their basic classification.

THEREFORE be it agreed and resolved that:

Within thirty (30) days of the final and announced ratification date of the TWU/IAM Association – American JCBAs, these affected employees may elect not to follow their Maintenance Training work and instead become employees in a position within their basic classification at their home location covered by the new Mechanic & Related JCBA. The election must be made by completing and signing the attached form and delivering the form to the identified American representative in accordance with the instructions on the form. Receipt of the form by the American representative must occur no later than the thirtieth (30th) day following the announced ratification date of the JCBAs. American will not accept forms delivered or received after that thirtieth (30th) day.

Except for employees who elect not to follow their work as described above, all other employees on the attached list will be reclassified as Maintenance Training Specialists, will be covered by the MTS JCBA, and will observe their MTS seniority as it appears on the June 15, 2017 integrated MTS seniority list. Additionally, these reclassified employees shall receive length-of-company-service credit for their placement on the MTS pay scale, effective no later than thirty (30) days after the announced ratification date of the JCBAs.
Employees who elect not to follow their work shall have their name immediately stricken from the MTS seniority list and, if such employee subsequently transfers back to a MTS position, will establish a new seniority date in the MTS classification in accordance with the seniority provisions as they apply to any other employee entering the MTS classification for the first time.

Employees who elect not to follow their work will be assigned a position in their home location, within their basic classification on a one-time, non-bid basis that mirrors a position that any other person with the same seniority in the basic classification can hold. Employees who are so assigned a basic classification position shall be paid the basic classification rate of pay relative to their length-of-company-service.

If five (5) or less employees elect not to follow their work, the transfer of those employees to the basic classification duties will occur immediately after the thirtieth (30th) day as described above. If more than five (5) employees elect not to follow their work, the Association and American agree to negotiate a transition schedule that may delay assignment(s) to basic classification work for a period not to exceed ninety (90) days. Employees who may be held to perform Maintenance Trainer work under this possible extension shall not establish Maintenance Training Specialist seniority because of the extension and shall be paid the appropriate length-of-company-service pay step on the MTS pay scale until the extension ends.

- Employees must have a minimum of fifteen (15) years of service to participate and have otherwise been unaffected by the reduction.

- The maximum number of VEOPs (Voluntary Early Outs) offered in a location, classification and bid area / duty assignment will be at a minimum, as determined by the Company, equivalent to the number of reductions in that location, classification and bid area / duty assignment

Vacation Methodology

During the discussions leading to the Joint Collective Bargaining Agreements (“JCBAs”) the Company and the Association (“Parties”) agreed that the vacation methodology in the JCBA for all Association represented employees would be based on an “earn and use for the next year” methodology. The current IAM CBAs covering Legacy US Airways Fleet Service Clerks (“IAM Fleet”) and Legacy US Airways Maintenance Training Specialists (“IAM MTS”) provide for an “earn and use” in the current year vacation methodology.

To transition these work groups smoothly to the new JCBA vacation methodology, the parties agree that upon ratification of the JCBA, IAM Fleet and IAM MTS will transition to the JCBA vacation methodology as follows:

- For the calendar year 2020 current IAM CBA vacation methodology shall apply, i.e. IAM Fleet and IAM MTS will continue under the current year methodology and application as described in the Collective Bargaining Agreement.

- For the year 2021, IAM Fleet and IAM MTS employees, will be credited a full vacation allowance on January 1, 2021. For example, an employee who has the ability to earn five (5) weeks of vacation in year 2021, will be credited such vacation allowance of five (5) weeks of vacation on January 1, 2021 regardless of the amount of time the employee worked in year 2020. Further, these employees will also not be required to repay the Company for any vacation received in year 2021 as described under the previous Legacy US Airways Collective Bargaining Agreement.

- Beginning in year 2021 IAM Fleet and IAM MTS employees’ will begin to accrue vacation for use in year 2022 under the new JCBA (accrue in 2021 for use in 2022).

Payroll System Transition Agreement

During the negotiations leading to a new Joint Collective Bargaining Agreement, the Company informed the Association of its plan to transition from a “pay current” payroll process to a “pay in arrears” payroll process for any Association members who are in a “pay current” payroll process.

As a result, any employee impacted by this payroll process transition will experience a delay in payroll payment of approximately one week’s pay (i.e., approximately twenty (20) hours for part-time employees and approximately forty (40) hours for full-time employees).

In addition, the Parties agree that any Association members who are currently in a weekly payroll cycle will transition to a biweekly payroll cycle, except for Association members in states where the applicable state law requires a weekly payroll cycle.

To assist with these transitions, the Company will offer the following options, on a one-time basis, to any affected Association members:

Option 1: Employees who are affected by either the payroll process transition or weekly pay transition, may choose to receive an interest free payroll advance from the Company, in an amount equal to twenty (20) hours of such employee’s pay for part-time employees and forty (40) hours of such employee’s pay for full-time employees, to be repaid through payroll deduction. Such employees may choose to repay this payroll advance through equal installments over a period of ten (10) or twenty-six (26) pay periods. Employees who select this option must complete a payroll deduction authorization as required by applicable state law.

Option 2: Employees who are only affected by the payroll process transition to “pay in arrears” (and not the weekly pay transition) may choose to use either compensatory time, accrued vacation, or accrued sick time up to the lower of: (i) the number of hours in their compensatory time, vacation, or sick bank, or (ii) twenty (20) hours for part-time employees and forty (40) hours for full-time employees.

This agreement is made on a non-precedent non-referable basis. If the Association agrees, please confirm by signing below.
